REPORT OF THE MISSIONS COMMITTEE

The Missions Committee of the Wilmington Association met six times during the past year. It has been a genuine pleasure to be a part of this great program and to help in promoting the work of the Wilmington Baptist Association. Our Committee has worked in close contact with several missions and churches of this territory. Our work has been subject to the approval of the Executive Committee at all times.

During this year we have recommended financial aid to Kure Beach, East Wallace, Fernside, Ogden, Surf City, and Castle Hayne. There are other places in the Association that we have been giving special attention to and still others that are in need of help.

W. D. Morris, Chairman.

II. Activities of Special Mention

Two Vacation Bible School Conferences were planned and conducted by Rev. W. A. Berry and your Missionary. Plans were made far in advance to enlist and assist the department conference leaders to attend the State Clinic at

Fruitland Assembly in February. The conference leaders were, Mrs. Berry, Misses Ruth Spence and Wilhelmina Simmons, Mrs. Marshall Weaver, and Mr. Charles Meadows. All of the above mentioned persons attended the State Clinic except two.

The Surf City Mission opened under the sponsorship of Barlow-Vista with your Missionary serving as pastor and Sunday school superintendent, until the present pastor, Rev. E. J. Hines, was secured. He also served in place of the pastor (he being in school at that time) during the Evangelistic Crusade revival. He has worked closely with the mission, through and with the pastor up to the present. Assistance was rendered in securing property.

Other work includes the securing of the summer worker, Miss Mary Louise Brown, of Winston-Salem, planning ahead for her work, and counseling with her in the work. She served nine weeks and was well received in churches and missions.

Assistance was rendered in planning for and organizing six Group Schools, and teaching done in two of those schools.

III. Financial Progress, Status, and Possibilities

A total of $6,419.28 was paid this year for property and equipment for new work. There was $2,700 returned, which must be used at a later date, so, discounting that amount we made a net total of $3,719.28 in gifts for new work over against $1,339.43 for last year. With the balance in our treasury October 1 of this year we could have overpaid our budget in the amount of $500.

In the chart below are shown the totals by years during the past four years of gifts for Associational Missions, giving the increase for the three latter years over the previous year. The large increase of 1954-55 over the year before is due to the fact that there was no missionary on the field for some 18 months prior to January 1, 1954. It is significant to notice the increase of this year over 1955-56. In other phases God has wonderfully blessed our work this year.

Total Gifts for Associational Missions by Years

1953-54	1954-55	1955-56	1956-57
$4,825.95	$10,204.45	$11,109.45	$14,288.91
	4,825.95	10,204.45	11,109.45
Increase over previous year	5,378.50	905.00	3,179.46

We should investigate fully and plan well for purchases of property for future use. The accumulated funds from this year will give us a little start for our needed purchases for

1957-58. As the needs in the new areas indicate we must make some larger purchases in the future. With our operating balance of $4,752.07, as of October 1, 1957, and on savings account $1,115.13, we should easily reach our budget for next year — actually it is very likely that we can overpay the budget of next year.

IV. Work Outside the Association

Your Missionary served in the Robeson Association School of Missions, February 23 through March 1, 1957. His name is on the list of Rev. Earle Bradley, Secretary of Promotion for North Carolina Baptist, to serve in schools of missions over the state.

The annual meeting of the Associational Missionaries of North Carolina at the North Carolina Baptist Assembly was attended. Your Missionary arranged for and led the two-session panel on, "THE ASSOCIATION AND THE LONG LOOK TO 1964." During the Home Mission Week at Ridgecrest the special conference for Associational Missionaries was attended. For the first time the Home Mission Board and the Sunday School Board jointly sponsored such a conference and there were 475 missionaries present. The Home Mission Board Rural Church Program constituted the main study. Much of this will be incorporated into the Church Development Program for North Carolina Baptists. (See section VI, paragraph 6, of this report for further explanation.)

V. What We Have Done

To mention the more important pieces of work, we have opened the three missions, Surf City, Houston Moore, and Nesbitt Courts. We have chartered four churches, Ogden, Fernside, Brookwood. and Surf City. We planned and conducted two Brotherhood conferences with Mr. Horace Easom, State Brotherhood Secretary, leading. As a result some eight or ten Brotherhoods have been organized. Rev. Bill Jackson came later for conferences with Royal Ambassador leaders. Our Brotherhood is now organized for full scale work, with Mr. Irvin E. Rackley, of Winter Park Church, President. A two-session Mission Study Institute was jointly planned with W.M.U. Other accomplishments are revealed elsewhere in this report.

VI. What We Should Do

1. In our work of missions expansion we should consider in Wilmington the following areas: South Oleander, Hanover Heights, Lincoln Park, and Pine Valley. Other areas are, Tar Landing, Rocky Point, Shelter Neck and Verona, and in

Jacksonville, West Jacksonville and other areas. We must continue to make surveys, open branch Sunday schools and preaching stations, and consider the opening of a good-will center in Wilmington.

2. In missionary education we must continue to prepare more teachers and make the mission studies available to all our people in the churches. The mission study institute is a good plan. Schools of missions are scheduled for November 15 through 27, 1959. We should increase the use of films and other helps. Along with our greater program in missionary education the churches of our association made an increase in total gifts for missions from $92,249 reported in 1954 to a total of $134,183 reported in 1956. The increases per year are: 1954 over 1953 was 7.8%, 1955 over 1954 was 13.7%, and 1956 over 1955 was 21.3.% The overall for the three years was a gain of 68% in total gifts to missions. However, the per cent of total gifts going for missions is a more vital point of view. The average for North Carolina has suffered a critical decrease for the past 15 years, from around 23% to nearly 16%. The 1954 reports show an average for our churches of the association of 13% of total gifts going to missions, and the 1955 reports 13.7%. It is gratifying to state that our 1956 reports show that 17% of our gifts were for missions, which was a little above the state average. It will be interesting to learn what the increase is for this year.

3. Property needs include land and housing for Houston Moore and Nesbit Courts Missions, and land in South Oleander and Hanover Heights. These are immediate needs.

4. Organize for music work in the association, which is scheduled to be done in a meeting to be held at the Wrightsboro Church the evening of November 5. Another music school is scheduled for January 27-31, 1958.

5. We must continue the work of our Group Schools.

6. We should correlate our requests to the State Convention for pastors' salary assistance with a program of work for the development of our churches under the guidance of Rev. Ernest C. Upchurch, Secretary of the Department of Church Development, of the Baptist State Convention. Also conduct an association-wide campaign guided by Rev. Upchurch.

7. Enlist a working committee on Christian literature so that all our homes will be receiving the Biblical Recorder, Home Missions, The Commission and other literature.

VII. Our Missions

Our Missions are: Kure Beach, Houston Moore, Nesbit Courts, Murrayville, Shelter Neck, and East Wallace. Houston Moore is in urgent need of property, with a Sunday school enrollment of 266 — and there could be 500 — and church membership of over 100. They are using the community center building at the courts which is crowded with 125 attending. There were 37 professions of faith in a recent revival and 43 added to the church. Nesbit Courts is also using the community center by the goodwill of the management, has 49 enrolled in Sunday school and 32 members. They are in need of property.

NOMINATING COMMITTEE REPORT

The report of the Nominating Committee was offered by Elliott B. Stewart who moved its adoption; this motion was withdrawn to give opportunity for nominations from the floor; there being none, W. D. Morris moved the election of officers as enumerated; this motion was seconded and carried.

(See Associational Directory)

The congregation was led by Charles Meadows in singing the hymn, "Jesus Saves."

The report of the Brotherhoods and Royal Ambassadors was presented by J. D. Hobbs who called attention to the Clinic to be held at Temple Church November 11 and moved the adoption of his report, which motion was seconded and carried.

BROTHERHOOD REPORT

There are 62 churches and missions in the Wilmington Association. Approximately 32 has Brotherhoods and about 25 have about 40 Royal Ambassador chapters, which includes about 10 Brotherhoods and about 5 Royal Ambassador chapters organized during the year. Approximately 900 men are enrolled in Brotherhoods and about 400 boys enrolled in Royal Ambassadors, showing a good increase over last year.

There were two Brotherhood meetings for the Association last year. One at Temple and one at Burgaw with Brother Horace Easom, State Brotherhood Secretary, as the speaker. Both were well attended and the new organizations stem from these meetings. One school for Royal Ambassador Counselors was conducted at the Seagate Church by Rev. B. Jackson, State Royal Ambassador Secretary. Brother Charles Meadows, Royal Ambassador Leader, and others interested in boys, organized and successfully conducted the Royal Ambassador Baseball League for both Junior and Intermediate boys. The new activities and interest with boys shall produce great results in the future.

Irvin Rackley was elected to fill the unexpired term of J. C. Thomas at the Associational Executive Committee meeting on May 7th and has since worked diligently to successfully organize the Associational Brotherhood fully as recommended by the "Brotherhood Guidebook", revised 1954. Brotherhood Executive Committee meetings were held to train the Associational Brotherhood officers and plan the work for the ensuing year. A larger budget was set up with optimism over the increased activity with Brotherhoods and Royal Ambassador chapters. All of the Brotherhoods in the association have been contacted several times by either mail, telephone or visits. But the survey work of the Brotherhoods and Royal Ambassador chapters is not complete and all the churches are in the plans for visits by the Associational Brotherhood during the coming year. The calendar of activities includes one clinic and quarterly meetings for all the men of the churches.

There was a good representation of men and boys at the Regional meeting last May in Clinton. One brother went to the First National Conference of Baptist Men in Oklahoma City in September.

The Brotherhood in conjunction with the WMU planned and presented a program featuring "State Missions", "A" night, September 3rd, at Sunset Park. "World Mission Week" at North Carolina Baptist Assembly, Southport, week of July 1-6, and Brotherhood week-end at Fruitland were promoted. A good attendance from the Association was enjoyed at Southport, but only the Brotherhood President and his family attended the Fruitland conferences. These meetings were very informative, inspirational and challenging.

Our Brotherhoods of the Association meet mostly monthly, but some meet semi-monthly, and at least two meet each week. All nights of the week are used for meetings except Wednesday and Sunday. One has a breakfast meeting each Thursday morning. Activities vary from visitation campaigns to cottage prayer meeting and include Boys' Work and Layman's Day in October; also, services are conducted at the prisons and institutions. Religious censuses are also conducted.

The Brotherhood seeks through a well-rounded program to reach unenlisted men with a challenge that will command their interest, respect, and effort in magnifying the whole work and ministry of the church and denomination. To lead the men of the churches into a realization of the obligations and privileges of church membership and to provide a medium through which they can serve are the chief

functions of a Brotherhood. One might be so bold as to say that the work of our churches and denomination will progress in direct proportion to the number of men who are reached, challenged and utilized for the Master.

The Brotherhood is built upon four cornerstones: Evangelism, Stewardship, Bible Doctrine and Church Loyalty. The four major areas of activity suggested for this year are: Boys, Evangelism, Stewardship, and Cooperative Program.

Your Associational Brotherhood President appreciates the wonderful cooperation which has been extended him by the entire organization, and expressed optimism over the future. We expect to have over 1,000 men enrolled in Brotherhoods; over 600 boys enrolled in Royal Ambassador chapters; over 45 organized and functioning Brotherhoods; over 50 Royal Ambassador chapters; better trained and more fully informed men and boys of the Association promoting the Kingdom for our Master by the end of the year.

It only takes two or more church-centered, Christ-centered men, organized, to carry out the aims of Brotherhood. The Baptist Brotherhood is on the march!

Respectfully submitted,

Irvin E. Rackley,
Brotherhood President

A. B. Bumgarner submitted the report of the Evangelistic Committee, moved its adoption and discussed it, stating that an evangelistic rally will be held at Temple Church, February 18, 1958. W. D. Morris told of duties of committee heads in promoting evangelistic program. J. H Mauney emphasized "Why it is so important to take a census prior to the campaign" and A. B. Bumgarner spoke of the value of publicity. The motion being duly seconded was carried.

REPORT OF COMMITTEE ON EVANGELISM

The Committee on Evangelism interprets its task as being that of encouraging and assisting the pastors and other leaders in the churches in getting, using and maintaining an enthusiastic and workable program of evangelism in every church in our association. We propose to do this by teaching and practice of the best methods known for winning people to Christ. We feel that to secure maximum results we must have the maximum number of people engaged in this effort; to enlist the maximum number of people we must enlist the maximum number of churches; to enlist the maximum number of churches we must have the cooperation of the pastors. With every church using every member in a continuous and

systematic program of soul-winning, which not only evangelizes but teaches the evangelized to become evangelists, we can do a job that is pleasing to the Lord.

The program we are striving to promote is Bible-based. In the New Testament there are two primary phases of God's program for reaching the lost. First, there must be the public proclamation of the gospel; second, there must be personal witnessing. This is the program your committee seeks to help the leaders in the churches implement in every church. It is the program of our State Convention and the program that our Southern Baptist Convention is committed to follow.

To do this job the leadership of the churches must be informed as to the Southern Baptist Program of Evangelism that God is blessing everywhere it is faithfully followed. The people must also be inspired to give evangelism first place in all the program of every church. That is where Jesus put it in His program and we must keep it there.

This task is a big one and a most important one. It is the one task that must be pursued with vigilance in every church. While your committee claims no superiority in knowledge of methods or spiritual qualification it does stand ready to help in any way within its ability any pastor or church who feels that we might render some assistance to this end.

The pattern this committee endeavors to follow to reach this goal is to do all possible to get every church in our association to participate in the Evangelistic Clinic and the Simultaneous Revival Crusade which has been voted by the association to be held annually, and to promote through a council of Evangelism or general church officers a dynamic perennial local church effort.

It has been shown over and over again throughout our Southern Baptist Convention territory that w h e n these three things are faithfully carried thru year after year, a vital program of evangelism is the result in every church and association.

The sole aim of this committee is to help us project and carry thru in all our churches year after year perennial programs of evangelism which the Holy Spirit can and will use to bring the lost to Christ, and to develop a consciousness of man's spiritual need among the members of every church—a Christlike concern for lost people not only in the local field but also around the world. To this end we dedicate ourselves and invite your prayers and help.

Respectfully submitted,

A. B. Bumgarner,
Chairman of Evangelism

The Sunday School Superintendents report was presented by A. E. Baggett, who moved its adoption, upon being seconded, he introduced Rev. Keener Pharr of the First Baptist Church of Charlotte, who spoke enthusiastically about Sunday School progress and brought a thrilling message, using as his theme, "We are witnesses of these things." The report was adopted.

SUNDAY SCHOOL REPORT

The suggested Sunday School Theme for 1957-58 is "Ye Are Witnesses", Luke 24:48. The theme suggests the true and main function of the Sunday school: (1) More people in Bible study, (2) more effective Bible teaching, (3) more people won, developed and enlisted.

Our records show, as of October 1, 1956, that we had 52 church schools and 6 mission schools, with a total enrollment of 15,373, an increase of 799 over the previous year. The average attendance was 8,845, an increase of 827 over the previous year.

There were 46 Vacation Bible Schools held with a total enrollment of 6,082, an increase of 432; an average attendance of 5,116, an increase of 372 over the previous year.

There were 758 awards reported thru May of this year, an increase of 268 over the previous year.

The aim of the Sunday school is to help find, teach, and win lost people to Christ. My challenge to the churches in the Wilmington Baptist Association is to support your Sunday school program and make your Sunday school department a better department in the coming year.

Respectfully submitted ,

W. R. Jones,
Retiring Superintendent

The report of the Christian Literature Committee was submitted by W. D. Morris who moved its adoption which was seconded and carried.

RELIGIOUS LITERATURE REPORT

The Bible is the most important piece of Christian Literature we have today because it is the inspired word of God concerning life and the most important issues of life. The Bible is the source of inspiration for the publication of all other Christian Literature that is being published.

Denominational literature is an essential factor in the

religious education of our constituency. Christian literature should occupy a place of prominence in our lives and homes today. This is especially true because of the power it builds, and because of the inspiration to live by the truth that it gives. "Good reading brings knowledge, and knowledge brings understanding, and out of understanding comes the power to live wisely."

In the year 1830 North Carolina Baptist organized themselves into the Baptist State Convention. The constitution stated that the main purpose was "the promotion of missions, education, social service, and the distribution of sound religious literature." In 1833 the Biblical Recorder was founded to help carry out these aims. For over 123 years it has served North Carolina Baptists. No Baptist home or mail box is beyond the reach of the Recorder each week, since it is always sent by mail to each subscriber. This Baptist paper ought to go into every Baptist home. The Recorder has at present a circulation of approximately 61,500 each week.

The Recorder has three subscription plans: Single subscription is $2.50 a year; Club plan, with four or more subscriptions, $2.00 per year. The every Family plan, with one subscription to each resident family or home in the church, is only $1.50 a year.

We urge you to promote the circulation of the Recorder in every way you can.

Under the caption of "Business," the following motion and Missions Committee recommendations were acted upon:

1. A motion was made by W. D. Morris that the moderator appoint a committee to set up an Educational Fund to help with the education of some of our pastors from time to time; this fund to be approved by the executive committee, after being seconded, it was discussed by J. D. Hobbs, E. E. Poston, and W. D. Morris; then the motion prevailed.

The Missions Committee recommends (2) that we purchase a lot in South Oleander that would be adequate to put a Baptist church on some time in the future, and that the Missionary and Moderator appoint a local committee to work with them to seek the location of this lot.

3. We further recommend that the Association cooperate with the First Baptist Church of Jacksonville in making a survey in West Jacksonville.

4. We recommend that the churches of Ogden, Fernside, and Brookwood be accepted under the watchcare of the Association for a year and that all churches in the future

seeking affiliation with our Association be accepted under its watchcare for at least twelve months before being fully accepted.

W. D. Morris, Chairman
Baxter C. Phillips
R. H. Lineberger
R. L. Gregory
E. Eugene Poston
A. T. Greene, Jr.
M. R. Haire
W. M. Rivenbark
Irvin E. Rackley

Each of the preceding recommendations were considered and voted on separately and on motions of W. D. Morris were seconded and carried.

L. H. Morphis asked if the last recommendation would change the constitution: the necessary change would be recommended. As a supplement to the motion in regard to receiving churches under the watchcare of the association, R. L. Gregory moved that "While under the watchcare of the association no member of such church will be allowed to vote, hold office or serve on any committee or board of the association." This supplement was adopted.

The moderator recognized members of Ogden, Brookwood, Surf City and Murrayville churches and of Nesbit Court, Houston Moore and Federal Point Township missions.

Elwood Orr presented recommendation of the committee on constitution as follows: Article 4 — **delete** "and referred to that body for action" and **add** "and those churches on which the commitee looks with favor, shall be presented to the association for a watchcare relationship of one year, at the end of which they may be presented for affiliation."

Article 5 — **add** "Officers shall not succeed themselves after the expiration of office until after a period of one year."

Article 5B—**Delete** "and name committees between sessions of the Association." **Add**—"And name the nominating committee and all special committees."

Article 6B—Add "The moderator shall be chairman."

Article 6C—**Insert** before last sentence—"It shall be the duty of the Missions Committee to guide the progress of churches seeking affiliation with the association."

Article 6G—**Add** after "shall nominate officers and committees"—"Except the nominating committee, to the "August" meeting of the association," instead of to "the fall meeting."

Article 6H—**Delete**—"and shall determine the sequence of the unit organizations featured on the Association Nights."

Article 6I—Change name to "Music Education Committee" and increase membership to "nine."

Article 7B—Change time of meetings from Tuesday after the "first" Sunday to Tuesday after the "third" Sunday in each month.

A motion by Elwood Orr that these changes be made in the constitution was seconded and after being discussed by R. L. Gregory, E. B. Stewart, Elwood Orr, and Preston Lawrence, the motion carried by rising vote, with no opposition.

Elwood Orr recommended that a committee of three be named to make a study of (1) the desirability, (2) the possibility, (3) and ways and means of establishing a Baptist Student House adjacent to Wilmington College and a Chair of Bible, with a working relationship with the college, whereby credits may be earned.

Elwood Orr also moved that a committee of nine (9) be appointed on Ordination of ministers; this motion was seconded by W. D. Morris but action on this recommendation and motion was deferred until the afternoon session.

R. L. Gregory moved that we insert a twenty minute business period during afternoon session; this motion was seconded and carried.

J. H. Edge, chairman of deacons of Southside Church, extended a welcome to the assembly and asked all to register. He also gave instructions in regard to the lunch and location of rest rooms, and asked the mothers to attend to their children during the lunch period.

The moderator expressed appreciation of the fine hospitality of the host church.

Remarks were made by A. T. Greene in regard to churches desiring Pastoral Aid. The Resolutions committee and Missions committee were requested to meet in rooms provided for them.

The report of the Music Director was presented by Charles Meadows who moved its adoption. This motion was seconded and carried.

ANNUAL REPORT of ASSOCIATIONAL MUSIC DIRECTOR

Emphasis in the associational ministry of music during the past year has been twofold: (1) Encouraging the promotion of choir work in the local churches and (2) Providing training for music leadership in the local churches.

encouraged to form a choral group and participate in the Choir Festivals promoted by our state Department of Church Music. Five choirs from our Association entered the Regional Festival in Lumberton and three of these participated in the State Festival at Wake Forest College in Winston-Salem.

An effort was also made to magnify choir work by forming choral groups to provide special music for the monthly meetings of the Association. Examples of this were the Adult Choir which sang in the Rally for the Simultaneous Evangelistic Crusade at Burgaw High School in February, the Youth Choir which sang at Association Night in Wallace in April, and the Junior Choir which participated in the Training Union Youth Rally at Temple Church in August.

Our Association held its first School of Church Music at Sunset Park Church January 28 through February 1. Courses were offered in theory, conducting, accompanying and children's choir work. Eighteen churches were represented, 261 persons were enrolled and 148 awards were earned. Attendance averaged about 179.

Plans for the coming year include an Associational Music Planning Meeting at Wrightsboro Church on November 5 for the purpose of fully organizing the Music Education Committee of Wilmington Association and planning the associational music program for the year. The denominational plan of organization will necessitate an amendment to our Associational Constitution.

Plans are also being made for another School of Church Music the week of January 27 through 31. It is proposed that the School be held in the north end of the Association this year.

Vigorous promotion will also be given to the Choir Festivals. The Regional Festival this year will be held at Temple Church on Wednesday, March 12, and the State Festival will be held at East Carolina College in Greenville on Saturday, April 19.

We anticipate a greater ministry of sacred music in our Association and in our churches during the coming year because the churches are awakening to the great possibilities of a music program and are securing trained Ministers of Music to lead in such a program.

We request the prayers and cooperation of the pastors and the people of all the churches of our Association as your Music Director proceeds with the organizing, planning and projecting of a program of sacred music in Wilmington Association.

Respectfully submitted,
Charles L. Meadows,
Associational Music Director

Special music was delightfully rendered by members of the Southside Church choir.

A. T. Greene expressed appreciation of the confidence expressed in him in electing him as moderator and in being invited to deliver the annual message. He then read a portion of the last chapter of Luke and the first chapter of Acts and offered prayer, following which he delivered a thrilling message. The session was closed with prayer.

AFTERNOON SESSION

The afternoon session opened with singing "I Love to Tell the Story." The devotional was conducted by L. G. Daugherty, who read Psalm 96 and offered prayer. The moderator called attention to the Training Union report as covered by mimeographed copies. J. D. Hobbs moved the adoption of the report; after this motion was seconded a fine address was delivered by James P. Morgan, Training Union Secretary of the Baptist State Convention of N. C. The report was then adopted.

TRAINING UNION REPORT

The Training Union work on an Associational basis has shown little progress during this year because of lack of organization. One of the highlights of the Training Union work of the year has been the Associational Training Union "M" night meeting. The purpose and theme of the "M" night meeting was to promote better Training Union work and better attended Training Unions in all the churches of our Association. The attendance at "M" night meeting this year was 471 which was eight less than we had the previous year. Dr. E. L. Spivey was the inspirational speaker for this meeting. We will attempt to reach the highest goal ever set in our Association for "M" night meeting with an attendance of at least 600 for the coming year .The inspirational speaker scheduled for this year will be Dr. Herman Ihley, State Sunday School Secretary of North Carolina.

The annual Training Union Tournament which was held at Wallace Baptist Church after much preparation and planning showed less response than the previous year. The Junior Memory work had the greatest number of participants of any of the tournaments. For the coming year we are going to encourage the Training Unions in our churches to start preparing earlier for participants in the Associational Tournament. Every church is encouraged to have participants in every age group this year and to make this the best Tournament ever held in Wilmington Association and to have

State winners in all age groups. This will require cooperation of pastors, Training Union directors and leaders.

The Training Union Youth Rally which was held in August of this year had less response than the preceding year with less than 100 attending. The Rev. Maurice Lee of Danbury, England, brought a very inspirational and challenging message to the young people who attended the Youth Rally. The attendance goal for the 1958 Youth Rally will be at least 200.

Last year 25 of our churches earned 676 study course awards compared to 1190 the previous year. We can more than triple this amount this year if every church will join the planned Associational Training Union enlargement campaign scheduled for October 1958. If every church will join in this campaign led by the State Training Union Director, James P. Morgan, and with the assistance of state workers from 6 other states, we can double our Training Union enrollment for the coming year. We can organize at least nine new Training Unions in churches that do not now have them. Last year 41 of our 52 churches reported having Training Unions. Next year we should have at least 50 churches with Training Unions. The Training Union enlargement campaign will necessitate 100% cooperation of every church to make it a success.

The Training Union can be the strength of our church if the pastors and leaders are determined to make them so. Training Unions can strengthen the doctrinal beliefs of our churches as well as tie the churches together in closer fellowship and inform the churches of the work of our denomination across the southland. Training Union is a source of better leaders and new leaders. For stronger membership in our churches we must be better organized and better attended Training Unions. It will be up to the leaders in the churches to give work more promotion and publicity and a more significant place in the overall church program.

Respectfully submitted,
Willis L. Saunders, Jr.

The moderator appointed the following committee on the "Constitution": Elwood Orr, A. B. Bumgarner, Mrs. A. T. Greene. He then expressed his appreciation of the support given him during his term of office. Elwood Orr re-read his recommendation offered at the morning session and moved its adoption which was seconded and carried.

Action was now taken on the motion made during the morning session that a committee of nine be appointed as an

"Ordination Committee"; this motion was seconded and carried.

I move that a rotating committee of nine be appointed by the Moderator known as the Committee on Ordination. The duty of this committee shall be to study the purpose of ordination and to meet whenever need arises, at the invitation of a church which is seeking the ordination of a member, to serve as an Ordination Council. When deemed wise, the committee shall serve as counselors in directing the preparation of, and in solving the problems met by the candidate in preparation for the ministry.

A. B. Bumgarner requested W. D. Morris to read the recommendations of the Evangelistic committee as follows:

1. "The committee on Evangelism recommends that the last two weeks in February become the date for an annual Simultaneous Revival Crusade, until such time as the association or executive committee shall deem it necessary to change it." A motion to adopt this recommendation was seconded and carried.

2. In order to create an atmosphere more conducive to the purposes for which they are designed, "That in future sessions of our association, the moderator be instructed to have the doors of the building closed and that no late comers be seated, nor programs or other materials distributed during the worship periods." W. D. Morris moved the adoption of this recommendation which motion was seconded and carried.

J. H. Mauney made two recommendations:

1. That the moderator appoint a Minutes Committee.

2. That the practice of repaying to the Missionary two honorariums collected each year in the association be discontinued. He moved the adoption of these recommendations which, being seconded, carried.

Brother Mauney also presented the following recommendations from the Planning Committee.

1. That a week, on or about that of June 23, 1958, be set aside for the study of the Forward Program of Church Finance, and that we invite Rev. James Camack of Fayetteville, or some other capable person to lead us.

2. That we promote Associational Missions during the Bible Study Week in January, 1958, and that the program material be worked out by our Missionary and be given to the churches.

3. That the Moderator appoint the Training, Cooperative Program, Retirement, and Seminary Extension Committees each year in counsel with the Planning Committee.

He then made consecutive motions that each of these recommendations be adopted; each of these motions were seconded and carried.

B. M. Smith stated that Lake Forest Church had been investigating the matter of purchasing property for Houston Moore mission.

Moderator A. T. Greene appointed the Time and Place committee consisting of Luther Morphis, T. K. Woody and Eldred Kinlaw.

In a splendid message, Roger Williams, pastor of Mills Home Baptist Church, told of the work being done in the Baptist Children's Home.

Christian Education was the next subject presented and a very inspiring message was delivered by Dr. Bruce Whitaker, president of Chowan College; his theme being "The WHY of Education." After this, those in favor of Christian Education were requested to give a standing vote of approval, which was done.

The assembly joined in singing "Rock of Ages."

The report on the North Carolina Baptist Hospital was presented by Marshall Weaver, who moved its adoption without being read; this motion was seconded and carried. He also introduced Brother W. K. McGee of the hospital who spoke most interestingly of the service rendered and available.

NORTH CAROLINA BAPTIST HOSPITAL 1957 REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before.

Through the Out-Patient Department, many patients are served who do not have the money to pay the total cost of hospitalization or medical care. Some cannot pay even part of it.

But it was because of the substantial total of the Mother's Day offering that we were able to do so much. Generous giving again this year will mean an opportunity for renewed health and happy useful lives for many suffering men, women, and children.

The total offering for the Wilmington Association was $4,078.78 with 44 out of 58 churches and missions taking part. 1958 should be 100%.

Respectfully submitted,

J. Marshall Weaver

The report on our North Carolina Baptist Homes was read by O. A. Anderson, it having been prepared by J. M. Hayes, superintendent. Brother Anderson moved the adoption of the report, which motion was seconded. He then introduced Mrs. C. E. Churchill, trustee, who spoke very interestingly of the "Home" life. The report was adopted unanimously.

N. C. BAPTIST HOMES FOR AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It, also, added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10c) cents per Baptist — 850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borrow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages, 65 to 97 years.

The Stewardship Committee presented their report and a motion was made that it be accepted as mimeographed, without discussion; this motion was seconded and carried.

REPORT OF STEWARDSHIP COMMITTEE

Three mailings were sent to the known leadership of the Association concerning the Stewardship phase of the churches.

1. In February a questionaire was sent to all the pastors of the Association requesting a stewardship analysis of the churches. One of the purposes in sending the questionaire was to impress on the leadership of the churches the stewardship of their churches. But because only 15 replies were received, insufficient data was received to be tabulated.

2. In July a stewardship clinic was held at Winter Park Church. Pastors were invited to bring members of their churches to the two day meeting at which time the Forward Program of Church Finance was presented and explained in detail.

3. The Associational Night in July was shared by the Sunday School and the Stewardship Committee. Dr. J. C. Canipe was the speaker of the evening, presenting the TITHER'S "PROVE ME" PROGRAM of the North Carolina State Convention.

4. In April a letter had been sent to the pastors, informing them of sources of offering envelopes, encouraging them to order early, wisely, and in sufficient quantities to supply a packet to each member of the Sunday school and church. At the proper dates pastors were encouraged to have specially printed offering envelopes inserted. This has been found to be one of the most effective ways of increasing mission offerings.

Pastors were reminded that the percentage of the budget given to missions is often a reflection of the pastor's attitude.

Elwood R. Orr, Chairman
Alden Hicks
Gilbert Lockart

The report of the Women's Missionary Union was offered by Mrs. J. D. Freeman, who moved its adoption; this motion was seconded. J. H. Mauney suggested that names of officers, shown in report, be deleted as they are published elsewhere in the minutes; this was agreed to by Mrs. Freeman and the report was adopted.

REPORT OF WOMAN'S MISSIONARY UNION

Wilmington Association — 1957

It is something to be able to paint beautiful pictures, or to carve a statue; but it is far more glorious to win souls to Christ, to be an instrument in God's hands, to transform the quality of a life near you, and around the world.

Through the Aims of Achievement of W.M.U., Prayer, Stewartship, Community Missions, and Mission Study, which are the motivation of our plan of work, we strive to bring light where there is darkness, love where there is hate, and Christ where there is chaos.

We pray for our missionaries and the world daily. Through the Intercessory Prayer league we pray for those about us.

Through the Stewardship program we encourage, not only, tithing and giving through the Cooperative Program, but to be good stewards of all that we possess, our money, our talents, and our time.

Community Missions have changed the quality of the day for many within our own communities, strangers as well as friends. Sometimes we say little, if anything, but the shining quality of Christian love radiates from our women, and where there was a need it has been met.

Through Mission Study and the reading of mission books, we have gone to near and far away places, and have learned that people are alike in their need for Christ. Surely, through study and reading, we have a deeper compassion for the world, and a desire to share more than ever.

This has been a good year for the W.M.U. and I do thank God for each of my co-workers. For their cooperation and love that helped me in every way possible. As of June 30 —

W. M. S. membership 2050
Young People (Sunbeams, G.A. & YWA) ... 1376

We still have eight churches in the association without a missionary organization of any kind. Pray that they will be challenged to see the need, and organize a W.M.S. soon.

Our special offerings last year were:

Lottie Moon (Foreign missions) (Including Young People)	$18,007.38
Annie Armstrong (Home Missions) (Including Young People)	4,340.69
Heck-Jones	1,907.38

Through the "Progress Fund" we have been able to carry on the work in our Association. We thank each church for their part in this small offering.

Miss Frances Seitter is continuing her preparation for medical missions, under the Kim Sherman Scholarship. Marjorie Rawls, a medical mission volunteer, was awarded the Associational Scholarship for this year. These are fine girls, pray for them.

The Annual Meeting was held at Riley's Creek Baptist Church, April 4. The theme for the meeting was, "The Field is the World". Special guests for the day were: Rev. Clovis Brantly, Home Mission Board, S.B.C., Mrs. H. R. Littleton, Missionary to Africa, home on furlough, Mrs. M. H. Dameron, Regional Superintendent, and Miss Miriam Robinson, Executive Secretary of W.M.U. of North Carolina.

A recommendation from the Executive Committee was presented by the secretary as follows: The Executive Committee recommends that the Medical Dispensary Fund be dispensed with and the money in the treasury (approximately $150) be transferred to the Scholarship Fund. A motion was made to adopt this recommendation which was seconded and carried.

Mrs. Glenn Tucker, Associate Superintendent, reported that three new societies had been organized at Oak Grove Church and Fernside and Murrayville missions.

The following committee reports were made:

Courtesy Committee—Mrs. Luther Morphis, chairman, read the report, praising God for the beautiful day, the gracious hosts and the message of inspiration and thanking the W.M.U. of the host churches (Riley's Creek, Long Creek and Moore's Creek) for their gracious hospitality. Thanks were expressed to Mrs. Reynolds and her officers and committees for the fine program of the day.

Place Committee—reported that the W.M.U. of Wallace Baptist Church, Wallace, N. C., had graciously extended the invitation for the Association to meet with them in 1958.

Nominating Committee—Mrs. Addison Hewlett, chairman, presented the slate of officers for the year 1957-58; as shown in directory.

These officers were duly elected and Miss Miriam Robinson gave the prayer of dedication.

The meeting was adjourned with prayer.

May our record for 1958 reveal more earnest effort and may we press on from victory unto victory in the Master's Name.

Respectfully submitted,

Mrs. L. H. Reynolds, Superintendent
Mrs. Wade Everett, Secretary

The treasurer's report was presented by Mrs. Addison Hewlett, Sr., who moved its acceptance; this motion was seconded. The highlights of this report were referred to by Mrs. Hewlett and the report was then accepted.

RESOLUTIONS COMMITTEE

The committee on resolutions submits the following:

We, the 57th session of the Wilmington Baptist Association, extend our heartfelt gratitude to those who have made this meeting such a meaningful occasion.

1. To the Southside and Temple Baptist churches for their cordial welcome and many expressions of concern for our comfort and welfare.

2. To the program committee for their careful planning of every detail which made for the efficient handling of business and the setting for a worshipful and inspiring agenda.

3. To our moderator for his able leadership during his term of office and his able direction of the day's schedule.

4. To our associational missionary for his love for us and patience with us in leading us in the work.

5. To our Father in Heaven whose presence with us has given purpose and guidance for our every undertaking.

6. We thank God for the lives of those who in the year gone by have been called to be with their Lord. We request that their names be recorded in the minutes of our Association and that we stand for a moment of silent prayer thanking God for their lives, the fruits of their labor, and the faith by which they lived.

REPORT OF SALARY STUDY COMMITTEE

During the latter part of the summer a comprehensive study was made of the salary scale of the ministers in our association, as compared with salaries paid personnel in other

areas of the state and with the needs and the responsibilities of the pastors and other workers.

This detail report was distributed with the Associational Newsletter in August. Insufficient data was available to tabulate or to make recommendations for other church personnel.

HISTORIAN'S REPORT—1957

God has richly blessed the churches of the Wilmington Association this year, and we thank Him "for His goodness and for His wonderful works to the children of men."

Riley's Creek Baptist Church has completed and equipped its $7,000 educational unit and thereby provided two new adult Sunday school rooms, a church library, and adequate space for the nursery and primary departments. Also, five hundred dollars has been invested in a scout building and equipment for it. The church has received two gifts of land, one from M. A. Rooks of two-tenths of an acre, and the other from E. W. Godwin of two acres for a new cemetery. Future building plans adopted suggest a new sanctuary and the remodeling of the present building for educational space. Sunday school attendance this year was the highest in the history of the church.

Masonboro Church has a library of 577 books catalogued according to the Dewey Decimal System. One hundred forty-seven of these books were added during the past year. Eight hundred sixteen books were checked out to be read. An allowance of $75.00 for the purchase of books is in the church budget. In September the church bought a motion picture machine.

Two churches of the association are in building programs: Winter Park and Wrightsboro. Winter Park has a new sanctuary nearing completion and Wrightsboro a new educational building.

The greatest blessing of the Wallace Baptist Church was entering its new $200,000 building. Another fact of great significance to this church was that Mr. Arthur Dempsey in September completed fifty years as Sunday school secretary, he being the only secretary the church had had until that time.

The East Wallace Mission called Rev. Claude Marshall as its first pastor. This Mission is beginning the construction of the second story of its educational building.

Temple Baptist Church began its church year with Dr. W. D. Morris assuming his duties as Pastor on October 1, 1956.

During this year, there were 211 additions to the church which is the largest number of additions that the church has experienced during its 34-year history.

In July, the Mission at Ogden, which had been under the sponsorship of the church, was granted authority to organize into a regular constituted Missionary Baptist Church to be known as the Ogden Baptist Church.

The church, realizing that it had outgrown its educational facilities, voted to purchase a new parsonage and convert the existing parsonage, located at 1806 Princess Street, into educational facilities. Accordingly, the property at 2222 Market Street was purchased for a parsonage in August at a cost of $30,000.00; and Dr. Morris moved into that home the first part of September. The old parsonage, therefore, was promptly made ready for use for the continued growth and expansion program of the educational departments of the church.

Four new churches have been organized in the association:

1. Ogden Baptist Church on July 27. The mother church is Temple in Wilmington.
2. Brookwood Baptist Church on September 1 in Jacksonville.
3. Fernside Baptist Church on September 22 in Wilmington.
4. Surf City Baptist Church on September 29. The mother church is Barlow-Vista.

In conclusion, I am quoting from the **Biblical Recorder** of October 19, page 18, part of the article on the organization of the Surf City church:

"On September 29 Surf City Mission on Topsail Island was chartered. The mission, which had its beginning in November, 1956, has experienced tremendous growth, both materially and spiritually, during the past year. With only 32 members and 70 enrolled in Sunday school, the Mission met a budget totaling $5,081.35 for the associational year ending September 30, 1957.

Under the leadership of Pastor E. J. Hines the church recently purchased land on which the first unit of its plant will be constructed.

"God has richly blessed this new work. Thus another Baptist church is dedicated to the cause of the Lord Jesus Christ and joins hands with Christians around the world in bringing the light of Christ to untold thousands."

Respectfully submitted,

Clara Newton.

Mrs. Hewlett presented the Treasurer's report which was approved as read.

Millard Brown spoke in regard to hospitalization.

J. J. Mauney spoke in regard to association Forward Program of Church Finance, also in regard to work at West Jacksonville.

Upon motion to adjourn the meeting was closed with prayer.

J. E. Allard, Clerk.

EXECUTIVE COMMITTEE MEETING—MAY 27, 1958

Meeting was opened with prayer by Milton Boone.

The clerk read the minutes of the previous meeting which were approved after correction in regard to Training Union Director; this office was left vacant as Jack Hasty declined to accept it.

A. B. Bumgarner, acting moderator, stated that Julian Hopkins will lead the 1959 Evangelistic Campaign.

Mrs. Hewlett presented the treasurer's report which was accepted as read.

J. L. Pollard stated that Randolph Gregory was Chairman of the Missions Committee and in his absence, Brother Pollard requested J. H. Mauney to present the recommendations of the Committee. In regard to work at West Jacksonville, it was suggested that pastoral aid be requested of the State Board in the amount of $1500.00. J. H. Mauney moved that request be processed, this motion was seconded by Elwood Orr, who asked if any church was going to sponsor such mission; it was stated that this matter would be handled by the Associational Missions Committee. After remarks by J. L. Pollard, the motion carried.

R. L. Gregory asked if anyone had any plans for mission work to be presented to the Committee which is to meet at Rileys Motor Court, June 4.

A motion was made to adjourn, but R. L. Gregory asked in behalf of the Missions Committee that the churches endeavor to increase their contributions to association missions.

The meeting then closed with prayer by R. L. Gregory.

J. E. Allard, Clerk.

EXECUTIVE COMMITTEE MEETING—JUNE 24, 1958

The meeting was opened by the moderator who called upon L. H .Morphis to lead in prayer.

The moderator then expressed his appreciation of the number of members present.

A. L. McGee was appointed by the moderator to serve on the program committee in place of Eugene Poston.

The moderator made a brief report of the treasurer, in the absence of Mrs. Hewlett.

R. L. Gregory presented the following recommendations of the missions committee:

1. That we purchase a lot for Houston Moore Mission at a cost of $3350, payable $2000 out of 1957 to 1958 budget; $200 from Lake Forest Baptist Church; and the balance to be paid out of the association 1958 to 1959 budget. R. L. Gregory moved the adoption of this recommendation, which motion was seconded by Elliott Stewart and carried.

2. That we contribute $500 to Surf City Church to aid as down payment on purchase of land; this matter was fully explained by pastor E. J. Hines. A motion to approve this recommendation was seconded and carried.

3. That the association contribute for the expense of any Mission Vacation Bible School, not conducted by existing Missions, 10 cents per enrolled member per day; a motion to approve this recommendation was seconded and carried.

4. That the Constitution Committee take steps to amend the constitution so as to provide for a committee on New Churches, and that the Nominating Committee be instructed to nominate officers of such committee. R. L. Gregory so moved and the motion was seconded and carried.

It was pointed out that the Missions Committee now has four churches under watchcare and it is their task to determine whether they are ready for membership. L. H. Morphis made some remarks in regard to the work of missions.

W. H. Stokley made a report in regard to work of Hous-Moore mission; this was followed by remarks from R. L. Gregory and J. H. Mauney who asked for a summary of this work to be furnished for mission bulletin.

E. J. Hines gave a summary of the work done by Surf City Church.

J. D. Hobbs stated that the Nominating Committee was being hampered by the clause in the constitution which states that "Officers shall not succeed themselves after the expiration of office until after a period of one year." R. L. Grgeory moved that the Constitution Committee be instructed to make recommendations as to changes in constitution and make such recommendations to the next association meeting. Brother Hobbs pointed out that this would not relieve the Nominating Committee of their handicap, and he was very much opposed to changing the chairman of Evangelism and some other officers at this time. A somewhat lengthy discussion was car-

ried on by A. L. McGee, A. T. Greene, A. B. Bumgarner. No action was taken on Brother Gregory's motion. J. L. Pollard moved that the chairman of Evangelism be elected on January 1, and that the moderator be instructed to call a special meeting of the association looking toward a change in the constitution in regard to election of Chairman of Evangelism Committee. J. D. Hobbs stated that this was not the only office involved; therefore, an amendment was offered to cover consideration of the election of all other officers.

An amendment to the amendment was offered by L. H. Morphis that the special meeting be called to consider changes in regard to election and terms of all officers. This amendment was seconded by Elliott Stewart and carried.

An announcement was made by J. H. Mauney in regard to meetings to be held by Calvary Baptist Church at Rocky Point.

The meeting closed with prayer by E. Kinlaw.

J. E. Allard, Clerk.

SPECIAL CALLED MEETING OF ASSOCIATION
August 26, 1958

The meeting was opened by the Moderator.

The opening hymn, "Glory to His Name", was led by M. C. Cagle; this was followed with prayer by Elwood Orr.

Brother Orr then presented the revised constitution and called attention to six by-laws. Each item was considered separately and a few changes were made, after which, on motion of Elwood Orr, being seconded, this revised constitution was adopted.

The moderator expressed appreciation for the splendid work done by the constitution committee.

J. D. Hobbs presented the recommendation of the Nominating committee and moved its adoption subject to the filling of unfilled offices by the committee; this motion was seconded and carried.

W. R. Jones submitted the report of the Finance Committee; each item was given consideration. A motion by Elwood Orr that volume of minutes be reduced to meet the budget item of $500.00 was seconded and carried.

Charles DeVaun explained the Ministers Scholarship Fund, and remarks were made by W. D. Morris on this subject.

J. L. Pollard referred to the salary of the missionary and suggested that $5.00 per week be added to his salary or travel expense, then changed this to a motion. W. D. Morris

asked how receipts were coming in and if this increase could be met without running into difficulties? Mrs. Hewlett made report as to receipts and expenditures. The proposed increase would make the Missionary's salary $4,760.00 per year. After remarks by A. B. Bumgarner a vote was taken, with 17 in favor of increase and 25 opposed.

A motion was made that clerks gratuity be increased from $100.00 to $150.00; this motion was seconded and carried.

A motion to accept the budget with above mentioned change was seconded and carried.

C. L. Turner moved that if sufficient funds were in the treasury that we pay the full amount on the lot for Houston Moore Mission out of this year's budget, thereby saving interest. Charles DeVaun suggested that report be made by the Missions Committee as to this motion. After discussion by J. H. Mauney, J. D. Hobbs and Mrs. Hewlett, this motion was seconded and carried.

A motion was made by Elwood Orr that total amount of budget be left as is, thus placing $1,150.00 additional for new work; this was seconded and carried.

A motion by A. B. Bumgarner that we accept the Committee's report was also seconded and carried.

The meeting adjourned with prayer.

GENERAL BOARD MEETING — SEPTEMBER 23, 1958

The meeting was opened with prayer by Linwood Todd.

The clerk read the minutes of the last meeting which were approved as read.

R. L. Gregory presented the recommendation of the Missions Committee as follows: "The Missions Committee recommends that the money designated for Houston Moore property be placed in a special fund until the time to complete purchase transactions has arrived." After Brother Gregory had commented on this recommendation he moved its adoption which was seconded and carried.

J. H. Mauney presented the proposed calendar and Irvin Rackley called attention to the scheduled meetings of the Brotherhood; remarks were made by Jack Hasty and A. T. Greene, after which a motion to adopt the calendar was seconded and carried.

Mrs. Hewlett submitted the report of the treasurer and moved its adoption; this motion was seconded, then J. L. Pollard requested that item of office expense be shown as "Asso-

ciation Office expense" instead of "Office expense for Missionary"; a motion to this effect was seconded and carried.

At the request of the clerk a motion was made that a deadline be set of November 10 for receipt of material for compiling the minutes of the annual meeting; this motion was seconded and carried.

J. H. Mauney showed a chart pertaining to area for mission work which is considered as association responsibility and comments were made by R. L. Gregory. Brother Mauney also mentioned areas around River Road, Hanover Heights and Cape Fear Hospital.

Miss Ruth Spence made a statement in regard to chartering a bus for transportation to Charlotte for the Billy Graham Crusade.

M. R. Haire mentioned the mass meeting at Winter Park on October 12.

A motion to adjourn was seconded and carried and the meeting closed with prayer by O. A. Anderson.

J. E. Allard, Clerk.

BROTHERHOOD REPORT TO THE ASSOCIATION FOR YEAR 1957-1958

At the beginning of the 1957-58 year 62 churches and missions comprised the Association whereas there are now 64, and others in the offings. There were 32 Brotherhoods at the beginning of the year, about 900 men; 34 Brotherhoods at the end of the year, about 950 men enrolled. The Royal Ambassadors comprise about 30 Junior and 17 Intermediate chapters, about 550 boys. Both, Brotherhood and Royal Ambassadors, show a good increase over last year. Several churches are now organizing Brotherhoods and Royal Ambassadors, others are getting ready.

A fully organized Associational Brotherhood assumed the suggested calendar of activities as recommended by the "Brotherhood Guidebook," revised 1955, and the supporting leaflets. An average attendance of 160 persons at the four major meetings deserves an expression of appreciation to the men and boys of the Association. A Brotherhood clinic at Temple last November 11th, followed by an Evangelistic clinic at Sunset Park in January then a Man-Boy night at Winter Park in May was concluded by a State Missions rally at Wrightsboro in August, to round out a year of growing enthusiasm and interest in Brotherhood work throughout the Association. The Brotherhood gave support and promotion to the Associational program, especially the Evangelistic Crusade, Forward Program, State Missions and Boys work. We spearheaded the initial survey at West Jacksonville and assisted Seashore to obtain an up-to-date census, engaging approximately 55 men in the work. Many of the churches' local Brotherhood have experienced programs presented by the Associational Brotherhood in visits throughout the area. About 70 men attended the State Brotherhood Convention in Raleigh and a like number were at the Regional meeting in Salemburg. Your president and his family enjoyed a week of study and inspiration at Ridgecrest Brotherhood week. A number from the Association attended "World Missions Week" at Southport.

The church Brotherhoods have shown a very noted growth of spirit in activities, which is the heart of Brotherhood, among which are: soul-winning visitation, laymen's day, blood banks, man-boy movements, church signs, painting and remodeling of facilities, church cemetery cleaning, the Forward Program of Church Finance and many others. Some of our local church Brotherhoods merit special recognition, such as: Brookwood — the men built their church; Riley's Creek—the men conducted a survey of the Rocky Point area (and now there is a mission); Carolina Beach—men placed tract racks and tracts along the beach; Southside—men revamped the basement floor to provide additional educational space; Wilmington First—men went all out to enlist attendance for their revival. Many others are doing a very fine job in and for their church. You will find Brotherhoods meeting every night in the week except Sunday. A number of them have supper-meetings or refreshments; and a few meet on certain mornings for breakfast. The Wednesday "Family Night" seems to be catching at a number of places. Out of these meetings men go trained and inspired to promote the full church and denominational program through the enlistment of their unlisted brothers to participate in church activities utilizing all their talents. It is a statistical fact that where there are church Brotherhoods a higher average of enlistment of the local man-power is enjoyed compared to churches without this emphasis.

The Associational Brotherhood has six film strips available to those who may desire their use, viz:

"A Baptist Brotherhood Makes A Difference"
"Activities Make A Brotherhood Live"
"Men on the March"
"The Executive Committee of the Church Brotherhood"
"Brotherhoods and the 30,000 Objective"
"Introduction To The Order of Royal Ambassadors"

These are very good instructional and inspirational visual aids, and we recommend their extensive use, free for engaging. We, also, have a supply of the principal tracts and Brotherhood Guidebook.

The Royal Ambassadors promoted and conducted an Intermediate Basketball league, seven teams participating, as an inexpensive venture to encourage team-work, a deeper and richer Christian outlook in life. The Salem boys were the champions and the runners-up were Sunset Park boys. There were two baseball leagues: Juniors, five teams and Intermediates, seven teams. Champions of the Junior baseball players

were Myrtle Grove boys and of the Intermediates—Seagate. Our baseball "All-Stars" played the Regional play-off against Fayetteville, losing the Intermediate game but winning the Junior. Two retreats were conducted for the "High Rankers," (rank of Ambassador or above), one in March and one in June. It is in these retreats that the highest aims and principles of Royal Ambassadors are observed with a genuine sense of satisfaction of accomplishment in Missions. Only one of our boys has reached above Ambassador: Tommy Moore of Calvary has obtained the rank of Ambassador Extra-Ordinary. A group of boys attended the Congress at Fort Worth and were well represented at the State Congress in Raleigh. One of our outstanding boys from Masonboro almost made an official position in the State R.A. organization elections at Raleigh.

We look to the future with confidence and with appreciation to all those who make these things possible. We should witness an increasing fervor of pace and spirit in the Royal Ambassador and Brotherhood work, to promote missions that all the world might know the Saviour, and to utilize the full talents of the men in Christian service. More church Brotherhoods and Royal Ambassador chapters will be organized. Better training and encouragement will be experienced. The 30,000 Committee of the Convention recommends that every mission begin with a fully organized complement: Sunday School, Training Union, WMU and Brotherhood. Church Brotherhood can begin with one man who is interested and will become qualified through study, to enlist the other men in his church or mission. In this way the Wilmington Association can have every mission and church enlisting the men, working together with their pastor doing a better job in the local program, through Associational Missions and the Co-operative Program.

We must utilize the man-power and have better trained, more efficient and spirited men for the Master!

Respectfully submitted,
Irvin E. Rackley, President.

The associaton's Mission Committee report was presented by Randolph Gregory who made a motion that we receive the four churches, which have been under the watch-care of the association, into the membership; this motion was seconded and carried. J. H. Mauney spoke to the report after which R. L. Gregory moved its adoption, which motion was also seconded and carried.

REPORT OF MISSIONS COMMITTEE

Your Missions Committee has held regular meetings throughout the year. It has been a busy year for we are anxious that the Wilmington Baptist Association do its part in the 30,000 program. The Committee has met with numerous missions for advice and counsel, visited areas in need of missions, considered requests for aid, and counseled with the church under the watch care of the association. The thought uppermost in our minds has been to reach more people, through missions, with the Gospel of Christ.

During the year the following churches have received financial aid from the Association:

Castle Hayne Baptist Church	$ 500.00
Federal Point Mission	300.00
East Wallace Mission	500.00
Calvary Baptist Church, Jacksonville, N. C.	1,200.00
Surf City Baptist Church	500.00

Efforts to purchase a lot for the Houston Moore Mission ran into some legal difficulties. The sum of money authorized in last year's budget for the purchase of a lot, has been set aside by the Association for that purpose. The Missions Committee has tried to guide its work by the following principals:

1. The Missions Committee is the servant of the Churches.
2. Each mission should be sponsored by a Baptist Church.
3. No mission would be started in an area until all Baptist Churches adjacent to the area have given their consent.
4. To recommend financial aid only for the purchase of property and in an emergency to give financial aid for the erection or completion of a building.
5. To initiate the purchase of property in an area needing a Baptist mission and seek to enlist a Baptist Church as a sponsor.
6. To keep new work at a reasonable distance from old established work.

During the past year, four churches have been under the watch care of the Association—Ogden, Fernside, Brookwood and Surf City. After visiting with these churches and coming away with the feeling that they are missionary Baptist churches of like faith and order with us, supporting the cooperaitve program of the Association, State Convention, and Southern Baptist Convention, the Missions Committee recommends that they become affiliated with the Wilmington Baptist Association. We further recommend that the Ogden and Fernside Baptist Church, which at present are without a

pastor, work closely with the Church Extension Committee and the Associational Missionary until a Baptist pastor has accepted a call.

Coming to the end of the Association year, the Missions Committee has projected plans into the year 1958-59 for missions in Jacksonville and very careful study for the purchase of property in New Hanover Heights.

We would not want to close this report without expressing our deep gratitude to our Associational Missionary J. H. Mauney for his tireless efforts, work, and support.

Randolph L. Gregory.

II. WORK AND MEETINGS OUTSIDE THE ASSOCIATION

My wife and I, along with Rev. Jack Hasty, Associational V.B.S. Superintendent, and Paul Royal, Associational Junior Sunday School Superintendent, attended the State V.B.S. Clinic at Fruitland. (See page 18 of this report for report on V.B.S. work in the association). It is our hope to have all department and general leaders attend the next State Clinic.

Your Missionary attended the Baptist State Convention in Raleigh; and the Southern Baptist Convention, the Southern Baptist Educational Workers' Conference, and the Southern Baptist Pastors' Conference in Houston, Texas. Insights and experiences gained there help build the quality and extent of our work. Other meetings included attendance at the two-day clinic on the Forward Program of Church Finance held in Raleigh, March 20 and 21, the Region 3 Church Development Conference conducted at First Baptist Church in Lumberton.

Your Missionary and family attended the Home Mission Board Conference at Ridgecrest, August 14-20. The attendance of some 450 Associational Missionaries was sponsored by the Home Mission Board and the Sunday School Board. Outstanding conference periods were on the 30,000 Movement, Missionary Education, and Association Using the Church Community Survey. (See page 20 para. 5 on Church Enlargement Revivals, which include survey). All these are vital to our work. Also, we attended the State Conference of Associational Missions conducted at North Carolina Baptist Assembly, Southport, N. C.

III. SIGNIFICANT ATTAINMENTS IN OUR WORK

Two important surveys were made: One in West Jacksonsonville by the Associational Brotherhood, showing some 1850 residences and the other throughout the "arc of expansion" of the City of Wilmington toward the beaches, by Winter Park, Long Leaf, Masonboro and Seagate Churches. The latter is almost complete. The Rocky Point Mission was opened under the sponsorship of Calvary Church, using temporarily the Rocky Point School building.

The prospects for increase in missionary instruction were increased by a repeat session of the W.M.U. Mission Study Institute conducted in the evening at First Church, Wilmington.

It was pointed out last year in my report that we should make increased use of films. Year before last 11 showings were made as against 31 last year. Our stock and use of films is increasing and for the first time we have, now, the complete list of films as suggested for the study of the foreign mission series of studies.

Our Music work is fully organized and is evidenced by Associational Schools and work of assembled Associational Choir.

The Forward Program Clinic, held at Temple on May 5, 6, and 8, instituted for our churches the most far-reaching and valuable stewardship program ever used by Baptists. Churches over the Southern Convention using it have averaged 80% increase in gifts. Seven of our churches are using this program in 1958 and 19 anticipate using it next year. In the Clinic 113 were enrolled and 16 churches represented.

Three Vacation Bible School Clinics were conducted at: Burgaw, 107 present; Wilmington First, 162 present; and Wrightsboro, 42 present; making a total of 311 present at all three clinics.

Our Seminary Center opened March 6 for an 18-weeks session with twenty-seven students enrolled and with five courses of study offered.

IV. FINANCIAL PROGRESS, PRESENT STATUS, AND PROPER STATUS

Last year we paid $3,719.28 in gifts for new work over against $1,339.43 the year before. This year total gifts for new work and young churches and set aside for property amounted to $4,950. In addition, a loan of $500 was made to one church for assistance in building, making a grand total of $5,450. On October 1 our bank balance was $1,366.33, which is an adequate operating balance.

We must accumulate funds for purchase of property in order to begin new work. This purchase of land is interpreted by the Missions Committee to be of primary importance. Requests in the amount of $1,668 recently presented to the Committee were refused, due to insufficient funds; which shows that the needs are greater than the gifts. Some needs have been met, as indicated above, but other needs can be met only as we give.

The chart below shows total gifts for Associational Missions, by years, giving the increases over each previous year.

Total Gifts for Associational Missions by Years

1953-54	1954-55	1955-56	1956-57	1957-58
$4,825.95	$10,204.45	$11,109.45	$14,288.91	$14,378.10
	4,825.95	10,204.45	11,109.45	14,288.91
Increase over previous year	$ 5,378.50	$ 905.00	$ 3,179.46	$ 89.19

Total funds available this year amounted to $20,284.59, which included $5,726.49 carried over from last year and accumulated as interest. Let us notice that only $1,366.33 is being carried over for next year. We need every church to participate in subscribing to the associational budget in the amount suggested for each church as on page 7 in this book of reports.

An adequate budget would total approximately $24,000. We need to see the necessity for an adequate budget to carry on our associational work of the association and promote the program of the denomination.

Why Increase the Gifts?

First, because of our needs as presented.

Second, if the Association does not have an adequate budget it cannot promote the Convention-wide programs and therefore cannot reach the masses of churches.

Third, strong loyal churches as efficiently working Kingdom units, loyal to the denomination must be developed on the associational basis.

Fourth, because associational missions are a vital part of world missions. The association is essential in developing a world missions spirit and in providing money and personnel for carrying on a world mission program.

V. INCREASED GIFTS TO MISSIONS BY THE CHURCHES

(See Bulletin November, 1957, P.2)

Total Gifts to missions by our churches have increased from $92,249 reported in 1954 to $139,987 reported in 1957, or a gain of 66%. The increase for each year over the previous year is: 1954—7.8%; 1955—13.7%; 1956—21.3%; and 1957—4.3%. The smaller increase in 1957, as compared to previous years, indicates that the causes have begun to be depleted in bearing increases and that other causes for stepping up our gifts to missions must be produced. What are they? Evidence is clear that God expects increases yet, be-

cause we are not living up to the measure of His plans. An intermediate goal should be "Every Baptist A Tither." A greater goal would be to experientially understand what Jesus said, as recorded in Mathew 6:19-21, quote, "Lay not up for yourselves treasures upon earth—, but, lay up, etc."

It is our purpose as an association to help all our people to reach this latter goal. The Forward Program of Church Finance is the best plan we have to date.

It is not pertinent to discuss here the needs and attainments of other phases of our work. Please give particular heed to the reports of our Evangelism Committee, Sunday School, Training Union, Brotherhood, W.M.U., Missions Committee, Executive Committee and other committees.

A great but simple goal for increased gifts for World Missions is the 2-Plus Plan. What is 2-Plus? It is a great suggestive from our Convention leaders that, we increase our gifts to missions through Cooperative Program by giving 2 cents more of each dollar each year through 1964. For example, if a church is now giving 20% of total gifts through Cooperative Program, they will give 22% in 1959, 24% in 1960, 26% in 1961, etc., through 1964. We must do a great work in Prayer and self-dedication to attain this goal.

VI. WHAT WE SHOULD DO

1. In missions expansion we shall continue and complete our study of the "arc of expansion" of the City of Wilmington toward the beaches, especially the area aruond the new location of Wilmington College. We must continue to expand in Jacksonville, considering maintaining a church in the area where Brookwood is now located. Many minor areas adjacent to every church must be considered. We must not forget Shelter Neck and Verona.

Many of us are familiar with the importance of new units organized in our churches. We also must accept the fact that new mission Sunday Schools, preaching stations and churches must be started.

2. Those of us who have the greater knowledge of world need through mission study books, f lms, and periodicals must go to all the people of all our churches and teach them. W.M.U. has done well in missionary education but all our people must be led to do the same. We must make full-scale preparation to train teachers by cooperative Brotherhood and W.M.U. training clinics. Brotherhood anticipates such a clinic on Home Missions in 1959.

For the first time we have all the teaching films on the current studies of foreign missions. We must make these and future films available to more churches.

3. We do not now have an adequate budget. Three per cent of total gifts is a fair proportion, but that does not take into account churches with below average giving. Our gifts from the churches ought not to be less than $24,000. Our main need is the purchase of property. Last year we agreed to study the need for purchase of property in South Oleander in Wilmington. The purchase of property in Hanover Heights is urgent. Nesbit Courts Mission is rapidly growing into the status of a church and the need for property is urgent. We must purchase property in West Jacksonville. Through the survey work other needs will be revealed next year.

4. We must pray "the Lord of the harvest to send forth laborers into the harvest." Training Union offers splendid helps in the educational program of vocational guidance. We must step up the work of finding the young people in our association whom God would call.

5. We voted to have Church Enlargement Revivals July 31-August 7, 1959. This includes the Church Development and Survey Program introduced to our pastors and others in the January 1958 Association Night Meeting.

6. We must help all our churches to see that they should use the Forward Program of Church Finance not later than 1960. This program is not so much a plan to increase giving of money as it is to lead Christians into a realization of stewardship responsibility of all of life.

7. We must step up Christian Education in our churches through Training Union and maintain it through our denominatonal schools and colleges, and through Baptist Student Union. We must look toward the establishment of a B.S.U. at Wilmington College. My son Marshall says that State College is a "Baptist School", that a large number of the students there are Baptists. Let us not minimize our relation with the state schools, but actually determine what it ought to be.

8. Through our Music Committee we should develop an Associational Men's Chorus promoted by the Brotherhood.

9. We must correlate and coordinate our work in the churches and the association.

After leading in the singing of a song Preston Lawrence presented the report of the Music Committee and moved its adoption, which motion was seconded and carried.

MUSIC REPORT

It is becoming increasing evident that the music of the church serves in an important capacity in the services of worship, prayer services, and through the organizations of the church. To meet the need for training music leadership for the churches the Associational Music Committee was reorganized and enlarged in 1957 according to a plan suggested by the Music Department of the Sunday School Board of the Southern Baptist Convention. The Committee named by the Association for 1958-1959 will meet shortly after the Association closes to organize and plan activities for the coming year.

In January, 1958, an Associational School of Music was held at the Wrightsboro Baptist Church. Enrollment for the School reached 232. An Associational Choir was used for the Simultaneous Revival Rally in February, 1958. These were the two outstanding activities on an Associational level during the year. Much has been accomplished through the Associational Music organization and with the organization of the new committee much more can be accomplished.

Respectfully submitted,
Preston L. Lawrence,
Associational Music Director.

The report on Evangelism was offered by A. B. Bumgarner who also discussed this report and moved its adoption, which was seconded and carried.

REPORT OF EVANGELISM

The churches of the Wilmington Baptist Association are making progress in Evangelism. In a period of five years our baptims have increased from 679 to 1,046, or an increase of sixty-four percent for '57 over '53. This steady increase of baptisms can be attributed to several things. The pastors, of course, have felt keen concern for the unsaved and have been evangelistic in their approach to their task as pastors. Too, our efforts have been more systematic and coordinated. This is true largely because of the Simultaneous Revivals which have been held for four consecutive years.

For the year 1959 the most intensive and aggressive program of evangelism in Baptist History is being planned. Nineteen million members in 75,000 churches are being invited to participate. Your associational committee on evangelism is striving to cooperate to the fullest extent in this great program. We are striving to lead every church to participate in the Crusade February 17th-March 2nd; to lead

every church to observe a New Year's Eve period of prayer; to lead every church to observe Soul-winning Commitment Day and to set a baptismal goal for 1959.

Already sixty percent of our churches have committed themselves to participate in this crusade. Our goal is to be one hundred percent by November 11th. We are praying and working toward this goal. We believe it to be a worthy goal; we believe it to be an attainable goal; we feel that we must attain it. If our people could feel something of the great need of lost people and the awfulness of being lost, there would be no reluctance on anybody's part to go all out in this task.

Although our association was second in the state last year in baptisms in proportion to members—1-to-16.7—the figures should alarm us rather than cause us to relax our efforts. The influx of new people plus the ones who have reached the age of accountability presents us with fields that are "white unto harvest." Let no church among us be guilty of neglecting to thrust in the sickle.

Respectfully submitted,
A. B. Bumgarner,
Chairman of Evangelism.

The Finance Committee report was offered by W. R. Jones, who moved its adoption, which was seconded. A motion by R. L. Gregory to amend the report to read "Travel Expense for Missionary" instead of "Travel Expense" was seconded and amended report was accepted.

The report on Christian Literature was offered by Harry J. Moore who moved that report be accepted as printed and that the alloted time be given to Elliott Stewart for discussion, this motion was seconded and carried. Elliott Stewart then referred to the various periodicals and urged their purchase and use, after whch he moved adoption of the report which motion was seconded and carried.

CHRISTIAN LITERATURE REPORT

As Baptists, we are second to none in the wealth of Christian literature coming from our presses. There is a publication for every need. To illustrate, may I mention the following: "Charity and Children," published weekly by the Baptist Children's Homes of N. C., Inc., the "Biblical Recorder," our State paper to keep us informed on what Baptists are doing in the State, "Home Life," a Christian family magazine devoted to home life and its problems and answers, The "Commission" published by the Foreign Mission Board and presenting the challenge of our world task, "Home Missions", a magazine that presents the work of the Home Mission Board.

These are only a few. There are many others published by the Sunday School Board, the Brotherhood and the Woman's Missionary Union, all designed to inform, inspire and list our best efforts in Christ's service. With the wealth of reading material that comes into our home today, we need to be more discriminating and choose that which will enrich our minds and hearts and be a silent witness in our homes as to what we believe and practice.

Respectfully submitted,
Harry J. Moore.

O. A. Anderson recognized the members of the Ordination Council and expressed appreciation for the fine work done by these men; he also presented Albert Smith, Linwood Todd, Stacy Wells and W. B. Rowe, newly ordained ministers, then submitted the report of the council, moved its adoption with the request that the same committee be continued for another year; this motion was seconded and carried.

THE ORDINATION ADVISORY COMMITTEE REPORT

The Ordination Advisory Committee of the Wilmington Baptist Association met a total of nine times during the year at the request of seven of our churches for the purpose of examining seven men for the Gospel Ministry. The following churches called upon your Committee for this service: Lake

Forest, Centerville, Oak Grove, Providence, Temple, Masonboro, and Southside.

After prayer and examination with each of the men, our Committee recommended to the respective churches the ordination of: Stacy A. Wells, Albert Johnston Smith, W. B. Rowe, George Dew, and Linwood Todd.

Our Committee feels a definite need for a committee of this type and further study needs to be given to the purpose and work of the committee; therefore, we recommend that this committee be continued another year.

The moderator spoke in regard to things that have been done at meeting of the General Board and urged attendance at the afternoon and evening sessions.

J. H. Mauney requested adoption of the Association Calendar; a motion by O. A. Anderson that it be adopted was seconded and carried.

(See Index)

The moderator recognized the new churches which had been under the watchcare of the association and now received into its membership; he also extended a cordial welcome to each church — Ogden, Brookwood, Surf City and Fernside, the latter however was not represented.

J. D. Hobbs referred to certain changes in the constitution and A. T. Greene called attention to changes in terminology. The former Executive Committee is now named "General Board." The Executive Committee is now composed of the officers of the association and the committee chairmen. Attention was also called to a new committee to be known as Church Extension Committee. The moderator read portions of the constitution governing the duties of these committees. J. L. Pollard asked for an interpretation of the duties of the Church Extension Committee differing from those of the Missions Committee. This was explained by the moderator.

J. H. Mauney asked for information as to duties of the Finance Committee and the moderator read the clause in the constitution governing this. He also called attention to the increase in committee members. Other questions were asked by R. L. Gregory in regard to duties of the Finance Committee in order to "determine the operation of the budget." Guilford Daugherty stated that committee on Place and Preacher would meet at noon and requested invitations from churches desiring the association to meet with them in 1959. L. H. Morphis stated that some representative of Christian Education might be present during afternoon session who might desire to speak on this subject.

R. L. Gregory reported on Christian Education and moved adoption of report, which motion was seconded and carried.

REPORT ON CHRISTIAN EDUCATION

The Baptists of North Carolina own seven fine colleges all fully accredited by the Southern Association of Colleges and Secondary Schools, and are members of recognized educational associations. This is big business. The total value of our seven colleges is $35,000,000. The operating budgets for 1957-58 totaled $8,811,618. They had a total enrollment of 7,634 which was equal to one-eighth of all students in North Carolina's 61 colleges and universities. Of the 7,634 students, 4,937 were Baptists. The costs for the students are comparable to those in other colleges of like standing with generous provisions for various types of financial assistance in grants as well as in scholarships. Last year students in our seven colleges received financial aid amounting to $274,355. 415 students are ministerial students . . . other church vocations 286. There are seven marks of a Christian college.*

1. Christian ownership. All seven of our colleges are owned by the Baptists in North Carolina.

2. Christian administration. The Christian trustees are elected by the state convention, who in turn select other administrators dedicated to Christian education.

3. A Christian faculty. More than 400 competent Christian men and women are employed as teachers. They are chosen for their personal Christian dedication, their intellectual honesty, their educational preparation, and their ability to teach.

4. Christian students. A Christian college campus provides the finest educational environment for young people coming from a Christian background.

5. Christian ideals. Christian education takes total knowledge and translates it into the practical, workable, durable pattern of personal living for a purpose: glorification of God and service to Christ and mankind.

6. Christian teaching. The basic interpretaton that flows from Christian truth enhances every subject taught in our seven Baptist Colleges.

7. Christian service. The end product of a Christian college will be found in Christians at work for the Kingdom as teachers, preachers, missionaries, housewives, business and professional people, politics, etc.

We are rightly proud of our seven colleges, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. We must give them our fullest support with our children and our money.

Randolph L. Gregory

After some announcements by the moderator he requested Preston Lawrence to lead in the singing of "Amazing Grace." Special music was beautifully rendered by five ladies of Winter Park Church, accompanied by Ivan Baugh. C. W. Jones read the scripture from the eighth chapter of Acts, offered prayer, then delivered a thrilling message on "The Old Rugged Cross"; Preston Lawrence touchingly sang the song of the same title. The morning session closed with prayer by Eugene Poston who also asked God's blessing upon the noon-day meal.

TUESDAY AFTERNOON SESSION—OCTOBER 21, 1958

The meeting opened with song and the devotional was conducted by Millard Brown who read a portion of the eleventh chapter of Luke, commented and offered prayer. The moderator requested R. C. Cline and B. M. Smith to serve on the Resolutions Committee, in the absence of other members. Elwood Orr was asked to explain the distinction between the duties of the Missions Committee and Church Extension Committee; Elwood Orr in turn asked J. L. Pollard to interpret, the latter read the duties of these committees as stated in the constitution; other quesions asked by R. L. Gregory and Luther Morphis were answered.

A. T. Greene recognized the Mission pastors present. Guilford Daugherty reported for the committee on Time, Place and Preacher as follows: Time, October 20, 1959; Place,

First Church, Jacksonville; Preacher, Milton Boone; Alternate, Forest Maxwell.

The moderator recognized and welcomed all visitors.

The Sunday School report was presented by A. M. Sholar, Jr., who moved its adoption; this motion was seconded and carried.

SUNDAY SCHOOL REPORT

This year your associational Sunday School Superintendent has been privileged to visit 42 of our Sunday Schools. There is a great deal of activity in evidence. Babies are being enlisted at ages as early as two weeks old, children are being led to Christ as they have never been before, Young People, Adults, Shut-Ins, People who have to work on Sundays, all are being visited in the homes, encouraged to come, and continually encouraged and visited and enlisted in the work. The results are clearly evident. In every Sunday School visited we find space at a premium and everyone talking about additional building plans.

All of this has not come about by any over-night work but long range plans and dedicated workers.

Your Superintendent found in many Sunday Schools, definite training programs for workers. This to me is a prime requisite for a growing Sunday School. As we enlist more people we must train more workers to teach them.

Your Superintendent finds a need for more emphasis to be put on Single Young People. In far too many cases the departments are understaffed and adequate space is not provided.

We find that only 14 of the 42 Sunday Schools visited this far have Cradle Rolls. Many of the Superintendents think the Cradle Roll and Nursery are one and the same department. This is one of the most important departments in our entire Sunday School. Our goal this year in our Sunday Schools for the Association is to double our Cradle Roll Departments.

During the coming year we have set a goal of 8 group Sunday School Clinics. Here in these clinics we will help train your workers in each department.

We find that 25 of the 42 churches visited have regular monthly officers and teachers meetings. Five have weekly meetings. Our goal for this year is every Sunday School with at least a monthly officers and teachers' meeting.

We had the largest group in Vacation Bible Schools ever with over 6,594 children enrolled with an average attendance of 5,677 in the 51 churches reporting.

Yes, we are on the go. But, everyone must work. "Don't you point a finger—but lend a hand."

A. M. Sholar, Jr.,
Sunday School Superintendent.

The report on Baptist Children's Homes was submitted by A. L. McGee who moved that report be accepted as printed; this motion was seconded, and he introduced the General Superintendent, Dr. W. R. Wagoner. A. T. Greene commented on the good leadership of Dr. Wagoner, who spoke to the report after which the motion to accept it prevailed

REPORT ON BAPTIST CHILDREN'S HOMES

On July 1, 1958, Dr. W. R. Wagoner succeeded W. C. Reed as director of the child care program in North Carolina. During 1957-58, this program, recognized as one of the best in the country, served directly a total of 753 children. During last year the Homes were able to admit one-fourth of the applicants as compared to one-fifth admitted in 1956. The latest addition to the program is the Odum Home at Pembroke for the Indian children.

There are two sources of support for the Children's Homes:

1. A combination of the Once-A-Month offering and the Co-operative Program allotment. Through this program the Homes received a fixed amount that cannot be changed except by a vote of the Convention.
2. The Thanksgiving Offering through the churches which goes directly to the Homes.

The administration and staff appreciate every expression of your love and concern for this vital work.

Respectfully submitted,
A. L. McGee.

Roald N. Sorenson, Director of Public Relations, Campbell College, spoke in regard to the work at this college. L. H. Morphis extended greetings from Mars Hill.

Preston Lawrence led in the singing of a song after which A. B. Bumgarner, Vice-Moderator, was invited to preside and he recognized Elliott Stewart who presented the report on N. C. Baptist Hospitals and moved its adoption; the motion was seconded. Albert L. Meiburg, Department of Pastoral care of the hospital, spoke of the work being done there, then the report was adopted.

REPORT ON OUR BAPTIST HOSPITAL

During the past year, of the 64 Churches and missions in Wilmington Association, 15 met their goals or went beyond;

9 reported giving who did not give anything last year; and 28 churches gave more than last year. In spite of this we gave slightly less than $4,076.48, our gift in 1957. The reason for this is clear. Five churches gave nothing and 26 churches gave less than last year.

Although 120,000 people were aided through our Mother's Day Offering last year, Dr. W. K. McGee, Director of Denominational Relations at the Baptist Hospital, reports that the hospital did not receive sufficient funds to meet all of the needs. Let us continue to work toward our goal of $5000 or more in 1959. Encourage your church to increase its gifts, that through the healing ministry, we may help people to know the love of God and lead many of them to Christ.

Elliot B. Stewart,
Hospital Representative.

The report on Homes for the Aging was submitted by Mrs. C. F. Churchill who moved its adoption; this was seconded and carried.

Miss Ella English, representative of the N. C. Baptist Homes, Winston-Salem, spoke of the work and needs of the homes.

REPORT ON HOMES FOR THE AGING

The Homes for Aging are now in their eighth year of operation—Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administrative Building, Winston-Salem, June 13, 1957.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews Sr., of $50,000 and land on which to build a fourth Home for the Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels, your special gifts and corporations. With gratitude to all who have made our present Homes possible—churches, individuals, and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way; we look to the future with great hope.

The Rev. Charles P. Burchette, Jr., began working with the Baptists Homes for Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts in the field of promotion and public relations, and will be ready to answer invitations to speak at churches and group meetings as the opportunities are given to him.

Respectfully submitted,
Mrs. Colin F. Churchill

Farrell Teague presented the report on Training Unions; a motion to adopt this report was seconded and carried.

TRAINING UNION REPORT

The Training Union has progressed little this year on an Associational basis due to the absence of a director for a few months. Farrell Teague was recently elected to serve for the coming year and was asked to finish out this year as it was left vacant when Bill Saunders went to New Mexico.

The highlight of last year's work came when 621 people attended the Associational Training Union "M" Night meeting at the First Baptist Church, Wilmington. Dr. Herman Ihley, State Sunday School Secretary of North Carolina, brought an inspiring message on the meaning of BAPTIST. We will attempt to reach the highest goal ever set in our Association for "M" Night Meeting with an attendance of 750 for the coming year. The inspirational speaker for this year will be Mr. Orvil Reid, Missionary to Mexico.

Last year 31 of our churches in the association earned 1,260 study course awards compared to 676 the previous year. According to the reports of the Associational Training Union Enlargement Campaign last week, we have approximately that many already completed this year. We should at least earn 2,000 awards this year in our Association. Through more study we learn about the effectiveness of Training Union work in our Association, State, Southern Baptist Convention, and the world.

A winner of the Southwide Intermediate Sword Drill for last year was from our Association. Miss Pat Morgan of the Sunset Park Church went as high as possible in the Intermediate Sword Drill Tournament held each year. We hope for more participation in these tournaments next year.

The greatest thing that has ever happened to the Training Union in the Wilmington Association happened last week. Sunday, October 12, was the beginning of our planned Associational Training Union Enlargement Revival which lasted for a full week. There were 549 Training Union Members

present for the Kick-Off meeting at the Winter Park church. Only 18 of the churches in our association participated. The largest attendance was reached on Wednesday evening when 1,409 Training Union members were studying the proper and most effective method of organizing and carrying on successful Training Unions. Workers were secured from seven states to present these methods. During the week there were 35 new unions organized in these churches with a total number of 212 new leaders enlisted. With a beginning so forceful, this year should be one of the best our Associational Training has ever had. We must now practice what we have learned and teach others.

The Training Union has before it the greatest challenge of its history. Within the next six years the Southern Baptist Convention plans to have 10,000 new churches and 20,000 new missions and preaching stations. According to statistics, 75% of the full-time Christian workers enter the full-time service because of the influence of Training Union in their lives. If we are to meet this challenge, we will have to train our young people and our intermediates now. We can do this by putting more Training Unions in the churches, by putting more in Training in the Unions.

Respectfully submitted,
A. Farrell Teague.

A stirring address was delivered by Dr. Earle Bradley, Promotion Secretary of the Baptist State Convention.

A .B. Bumgarner urged attendance at night session, then the meeting closed with prayer by Dr. Eph. Whisenhunt of Clayton, N. C.

TUESDAY EVENING SESSION—OCTOBER 21, 1958

The session opened with song, followed by the devotional conducted by Ernest Moore who read passages of scripture from the book of Romans, commented and lead in prayer.

Speaking for the Minutes Committee, Milton Boone requested that this committee be granted authority to edit the minutes; a motion to do so was seconded and carried. He also submitted a suggested plan for distribution of association minutes to the churches and moved its adoption. Upon motion being seconded the matter was discussed by J. L. Pollard, R. L. Wilson, E. R. Orr and Elliott Stewart; the motion prevailed. J. L. Pollard moved that Minutes Committee adhere to the above mentioned plan but that they be authorized to print the minutes even though the cost should somewhat exceed the $500.00 allotted; this motion was seconded and carried.

A motion by Elwood Orr that the Stewardship report be accepted as printed in advance reports was seconded and carried.

STEWARDSHIP COMMITTEE REPORT

A clinic promoting an understanding of the Forward Program of Church Finance was held in May at the Temple Baptist Church in Wilmington. The Rev. James C. Cammack and Dr. John Bunn were the leaders for the three night sessions. Sixteen churches were reached with an average attendance of 110 for the clinic. The excellently directed program was planned and carried out by the Missionary.

The prevailing spirit expressed in the meeting was that this should be an annual event in the program of the Association.

Elwood Orr, Chairman.

R. C. Cline submitted the report of the Resolutions and Memorials Committee and moved its adoption; this motion was seconded and carried.

RESOLUTIONS AND MEMORIALS COMMITTEE

The Committee on Resolutions submits the following:

The 58th session of the Wilmington Baptist Association meeting with Winter Park Church, Tuesday, October 21st, extend our heartfelt gratitude to every person who has helped to make this splendid occasion possible:

1. To the Winter Park Church for its genuine hospitality and provisions for our every physical need, even amid abnormal weather conditions.

2. To the Program Committee for carefully planning the inspirational and challenging program for the day.

3. To our Moderator for his capable and wise leadership in directing the affairs of our Association.

4. To our Associational Missionary for his tireless efforts, and his far-sighted vision in the promotion of the total program of our Association.

5. To Almighty God, who has crowned even our most feeble efforts with amazing success, we are truly grateful.

6. Be it further resolved that we, the Resolutions Committee, encourage the participation of every church in this Association in the 1959 Simultaneous Crusade.

7. We thank God for the lives of those who in the year gone by have been called to be with their Lord. May their names be recorded in the minutes of our Association, and we

request that we stand for a moment of silent prayer thanking God for their lives, the fruits of their labor and the faith by which they lived.

Respectfully submitted,

The Woman's Missionary Union Report was presented by Mrs Glenn Tucker who moved its adoption; upon being seconded this motion prevailed.

REPORT OF WOMAN'S MISSIONARY UNION

The program of work of Woman's Missionary Union of Wilmington Association for the year 1957-58 centered around the Aims for Advancement as set up by Woman's Missionary Union, Auxiliary to Southern Baptist Convention. These aims included: World Awareness through Mission Study, Spiritual Life through Prayer Development; Christian Witnessing through Community Missions; Stewardship of Possessions; Educating Youth in Missions; Enlistment and Organizations: Leadership Training; and Reporting of Advancement. Societies attaining points of these aims were rated as Approved, Advanced or Honor—Two Societies, Brookwood and Jacksonville First, attained the highest rating of Honor. Four Societies, Wilmington First, Temple, Wrightsboro and Carolina Beach, attained Advanced rating. All will be honored with certificates by North Carolina Woman's Missionary Union. Six Societies earned special recognition in Mission Study and will be awarded special achievement certificates. These societies are: Wilmington First, Winter Park, Wrightsboro, Sunset Park, Brookwood and Burgaw.

Though the other of our societies did not realize as many attainments, they did follow the same plan of work and wrought much. Who can measure all that Woman's Missionary Union has accomplished? It is impossible. We worked as "Laborers together with God," using as our hymn for the year "Lead On, O King Eternal," and as our watchword, "Behold I have set before thee an open door.' Yet some of our organizations are weak; a few churches in our association have no missionary societies at all. Therefore, we continue to labor and pray in order to "shew forth His salvation from day to day."

Aur Annual Meeting was held at Wallace Baptist Church on April 17, 1958, with an attendance of 225.

Subscriptions to our missionary publications number: Royal Service—815; Window of Y.W.A.—7; Tell—268; Sunbeam Activities—74. Mission Study shows the following number having read at least one approved mission study book: W.M.S. —1009; Y.W.A.'s—31; G.A.'s—253.

Two graduate nurses, both preparing for religious work, received aid from our scholarship funds. These are: Marjorie Rawls, at Baylor University, and Frances Seitter at Carson-Newman College.

Thirty societies reported having observed the three seasons of prayer. Forty-one societies participated in planned community missions. Thirty-nine societies reported their membership as giving through the cooperative program. Twenty-eight participated in State-wide mission offering in September in addition to the following special offering totals:

Lottie Moon	$11,262.64
Annie Armstrong	3,794.46
Heck-Jones	1,512.19

May our records for 1959 reveal more earnest efforts and may we press on from Victory to Victory in the Master's Name.

Respectfully submitted,
Mrs. Glenn Tucker, Superintendent
Mrs. Wade Everett, Secretary-Treasurer

Complimentary remarks were made by the moderator in regard to the splendid work of Quinn Morgan as a Foreign Missionary. The Winter Park Choir, led by Ivan Baugh, rendered some special music in a very complimentary manner.

Quinn Morgan, former Missionary to the Gold Coast, delivered a most heart-warming and thrilling message, using as his text, John 4:34: "My meat is to do the will of Him that sent me." This message was followed with prayer by A. T. Greene.

The session was then adjourned with prayer by A. L. McGee.

A. T. Greene, Jr., Moderator

II. WORK AND MEETINGS OUTSIDE THE ASSOCIATION

Mr. Jack Hasty, Associational V. B. S. Superintendent; Mr. Paul Royal, Superintendent of Associational Junior Sunday School Department; my wife, and I attended the State V. B. S. clinic at Fruitland. There we secured the services of Rev. T. C. Williams of La Grange, North Carolina, to conduct a conference on hand crafts at our V. B. S. clinics at Wallace and Southside similar to the conference he conducted at Fruitland. He displayed extensive collection of hand craft material.

Your Missionary attended the Baptist State Convention in Durham; and your missionary family attended the Southern Baptist Convention in Louisville, Kentucky. Family attendence was important for extension of Kingdom work in the next generation. First hand experience and insights gained in the conventions help build quality and extent of our work. Other conventions attended were Region 3 Brotherhood at Roseboro, First Baptist and Layman's Soul-Winning Institute at Thomasville Children's Home. Your Missionary has accepted an invitation from State Brotherhood President, Donald Adcox to serve on the institute to be conducted at Kennedy Home, Kinston, February 12 and 13, 1960.

Your Missionary family attended the State Conference of Associational Missionaries at Caswell Assembly, July 6-10, at which we profitted in the fellowship for building Associational Missions work over North Carolina. We also attended the Home Missions Board Conference at Ridgecrest. Valuable

reports were made on church development and community survey and city and area surveys. We gained valuable insights on how Home Missions is related to Associational Missions.

Your Missionary attended the called Session of the State Convention in Raleigh which was called to consider the extensive Report of the Committee of 25. For the advancement of Associational Mission work in North Carolina, your Missionary offered an amendment to the report, "Section III., G., 2., b." which refers to section "a" which states that the General Board (of the State Convention) require the Directors of Missions to develop complete programs for strengthening the Associations, and which (sub-section 6) states "That this include a clear concise manual of responsibilities and duties of Associational Missionaries, and a brief statement of personnel qualifications for the guidance of the Associations in securing Missionaries." My amendment to the report was: "This manual and statement of personnel qualification shall be formed in cooperation with a Committee from the State Conference of Associational Missionaries, elected by them." By a close count on a second vote the amendment was rejected.

In a joint meeting, September 8, of the State Conference of Associational Missions and State Convention personnel a tentative decision was made "That the manual on Associational Missions recommended at the special session of our State Convention be produced by a joint committee of the State Convention Personnel and Associational Missionaries."

The above action will be proper in order to maintain the freedom of Associational Missionaries and local Associations over the state. We cherish the New Testament and Baptist doctrine of freedom of action for Baptist bodies and individuals.

III. OUTSTANDING ATTAINMENTS IN OUR WORK

Development of our young churches and missions has been advanced and stabilized. Your Missionary shared in making an analysis of the attainments, status and future possibilities of the Poston Church and led them to adopt the Community Survey and Church Development program. Thus coupled with the calling and work of pastor Leonard Quick the spirit of Poston Church has been revived and envisioned for a greater future. Vital changes were made in their budget. Gifts, enrollments, membership and attendance have been increased. A Junior R. A. Chapter was recently organized.

Significant for a better founded more complete work at Kure Beach was the decision of Rev. George Painter, upon graduation from Southeastern Seminary to remain as pastor of Kure Beach Mission. The work there continues to progress. They participated in the recent Community Survey and Church Development Program under the direction of Rev. E. C. Upchurch, State Secretary of Church Development Department.

The work at Nesbitt Courts has been stabilized. Membership continues to increase. A budget of over $5,900 was recently adopted, which, says Pastor Stacy Wells, is "a conservative budget." They have agreed by vote in regular conference to defer organization into a church until a later date. This will give them proper opportunity to develop fully before organization. A lovely and progressive spirit prevails in the people. Pray for them.

Pray for the Castle Hayne church. They have agreed to operate under the guidance of the Church Extension Committee.

ROCKY POINT MISSION is progressing steadily under the wise, constant and compassionate care of the Calvary Church. They participated in the church Development Program, directed there by your missionary and Rev. Daniel Huneycutt, which gave them a renewed vision for the future and a better foundation for operation in Kingdom service.

MURRAYVILLE MISSION is wisely continuing under the guidance of First Baptist Church of Wilmington. They participated in using the Church Development program giving them new insight into their responsibilities for reaching and training more people.

HOUSTON MOORE MISSION anticipates marked advances in membership and attendance as soon as they can occupy their new building which is near completion. Pastoral leadership, a qualified sponsoring church, and furnishing of building needs contribute largely to the success of the work. Last year the Association contributed $3150 of the total $3350 for the purchase of the property for Houston Moore.

The Community Survey and Church Development Program directed by Rev. E. C. Upchurch, Secretary of the Department of Church Development of the State Convention gave valuable results in the participating churches, both immediate and far-reaching. There is no better program for reaching and enlisting the unsaved and church members of a community. This was a test campaign in which the following churches participated:

Bethany, Kure Beach Mission, Catherine Lake, Riley's Creek, Silver Lake, Poston, Murrayville Mission, Wrightsboro.

Other churches, not in the campaign have instituted the program, and still others are expecting the help of your missionary and Rev. Upchurch in using the program.

IV. OUTSTANDING PHASES OF OUR WORK FOR NEXT YEAR

We are very fortunate that the State Sunday School Department is planning a District Teaching and Training Clinic to be conducted at the Temple Church, January 18-22, 1960.

Your Missionary recommends that we adopt a goal of 100% cooperation of our churches and missions in the Evangelistic Crusade.

Our Training Union plans call for a continuation of recruiting young people for full time Christian service. This will be done in cooperation with pastors and churches, also, through our annual youth rally in August, and the new organization "Volunteers Fellowship", Wayne Ashworth of Carolina Beach, president, and Pat Morgan of Sunset Park, secretary.

Our missions committee endorsed the idea of encouraging all of our churches to elect missions committees. This action was adopted by the Association at the 1956 annual meeting at Long Creek Church. It is a part of the 30,000 movement program. Your missionary plans to do much of the contact work with the chuches.

Our budget indicates a more extensive program of work. We call to your attention the items for new work and Summer Worker's salary. He can next summer be used in phases of work other than Vacation Bible Schools, which is a cooperative effort with the State Sunday School Department.

On Association Night, November 22, 1960, an extensive clinic for church officers and committees will be conducted. This will require much planning and promoting months in advance.

Three vacation Bible School Clinics are planned for next year to reach the churches by areas of the Association. They will be conducted at Atkinson, Jacksonville and Wilmington.

Blue Creek is our next large mission to be opened. More funds are urgently needed in order to construct a building.

Four acres of property has been secured at a purchase price of $7,000.00. Jacksonville-First depleted their mission funds of $3,600.00 and added $400.00 from current funds to

make a down payment of $4,000.00. The balance of $3,000.00 is due March 1, 1960.

The Association paid $1,000.00 to be applied on property or building. The State Convention has given $2,000.00 to be applied on the property. State WMU has given $750.00. A recent gift of $425.00 from state WMU is to be applied on pastor's salary.

Jacksonville-First has budgeted for next year $2,600.00 for pastor's salary and rent allowance of $65.00 per month. It is "hoped" that the State Mission Board will match the $2,600.00 salary amount making a total of $5,200.00 Pastor's salary for a qualified man living on the field.

Building and plot plans have been received from the Architecture Department of the Sunday School Board. Construction will begin at an early date. Thousands of dollars will be needed to construct the first of a permanent building.

V. FINANCIAL PROGRESS AND STATUS

Amounts paid out for new work from September 1954 through September 1959 are given in the table below:

1954-55	1955-56	1956-57	1957-58	1948-59
$ 500.00	$1,339.43	$3,719.28	$4,950.00	$4,717.75

On September 30 we had a bank balance of $2,941.81. Our budget for last year listed for "Jacksonville Missions (1) Blue Creek School Area $1500.00 and Camp Geiger Trailer Court Area, $1500.00. In our interpretation for procedure these two areas are to be served by the Blue Creek Mission, therefore we should have considered a consolidation of the budget items as given above. We can spend money nowhere in the Association that will pay as great dividends in Kingdom service.

The chart below shows total gifts for Associational Missions, by years, giving the increases over the previous year.

	1953-54	1954-55	1955-56	1956-57	1957-58	1958-59
	$ 4,825.95	$10,204.45	$11,109.45	$14,288.91	$14,378.10	$15,215.57
Increase over	4,825.95	10,204.45	11,109.45	14,288.91	14,378.10	
Previous yr.	5.378.50	905.00	3.179.46	89.19	837.47	

Total funds this year amounted to $20,145.74 which include 2,941.81, balance carried over for 1959-60. Let it be pointed out here that some needs were also carried over (namely, especially, Blue Creek) which we should make retroactive and pay out a safe amount of the above balance.

VI. A LOOK AT OUR FUTURE IN FINANCIAL WORK

When all people in the churches realize the proper place of Associational Missions in the whole area of world missions then our gifts, prayers and concern can be apportioned. For

comparative references by churches. Please look at the last two pages in the book of reports, which are also pages 24 and 25 in the booklet "Materials for Presenting Associational Missions," dated "April 15, 1959." From those tables you can readily see that there is a wide variation of percent of the gifts by churches for associational missions. Please, let us adjust the matter by churches.

VII. WHAT WE SHOULD DO

1. We should secure the property of the Brookwood temporary location. We must in cooperation with Brookwood, make a survey of the area around their temporary location and have the data complete upon their removal.

2. We should arrange to publish books of reports and mail out copies to members of the Association according to the constitution.

3. We should extend our V. B. S. work to encourage and help where needed every church and mission to have a school. We should assist Negro churches by training their leaders to conduct their own schools.

4. We should "step up" our work of the organizations, namely, Sunday School, Training Union, Brotherhood and W. M. U. We should assist the churches where needed in organizing new Training Unions, Brotherhoods and R. A. Chapters.

5. Your Missionary should do research in Associational Missions—writing on that subject—and in church development. My gratitude to the members of the Executive, Missions and Church Extension Committees for the writings on Associational missions. This writing has attracted the attention of other associational missionaries in North Carolina. It, no doubt, will add to the writings of Dr. C. C. Warren for the 30,000 Movement Program, the writings of S. F. Davis and Wendell Bellue of the Home Mission Board, and others.

6. We should continue to study the missions needs of the entire area of our Association by making surveys and analysis of the Church Coverage.

7. We must continue the promotion of the Forward Program and the adoption of the percentage giving to missions, including the Two Plus Program.

VIII. RECOMMENDATIONS

1. That we set a goal of 100% of our churches and missions cooperating in evangelistic Crusade for 1960.

2. That we ask our Finance Committee to bring a report to the December meeting of the General Board recommending if possible the payment of $1500.00 to First Church of Jacksonville to be applied to cost of building.

REPORT OF MISSIONS COMMITTEE

Our fiscal year 1959 has seen some penetrating advances in our Associational Missions program.

This has been an eventful one and we on your missions committee have experienced much happiness, some setbacks and considerable hard work.

During this year the following churches and missions received aid from the Association.

Brookwood Baptist Church	$ 200.00
Houston Moore Mission	3386.75

Long Leaf Baptist Church	96.00
Blue Creek Mission	1000.00
	4,682.75

The legal difficulties experienced last year on the lot for the Houston Moore Mission were overcome and the lot was purchased and work is well advanced on their building.

The Long Leaf Church has sponsored a mission Sunday School on the River Road just beyond Sunset Park.

Suitable property has been secured by the Jacksonville First Church to begin work at the Blue Creek Mission opposite the Blue Creek School this side of Jacksonville. Your Association has assisted in the purchase of this lot in the amount of $1,000.00.

At our August meeting your Missions Committee adopted the following proposed budget for the year 1960.

Hanover Heights-Pine Valley Area	$1,500.00
Blue Creek Area	1.500.00
Nesbitt Courts Area	1,000.00
Brookwood Temporary Location	3,600.00
Missions promotion material	100.00
	7,700.00

Your missions Committee has provided members of this committee to visit at Nesbitt Court Missions to assist in setting up the work there. Those visits to assist those people were provided for until after the Annual Association meeting when the Nesbitt Courts Mission will then be under the leadership of the Associational Extension Committee.

At the request of our Associational Executive Committee the Associational Missions Committee have met and adopted a set of guiding principles which we feel will assist greatly in the work of this committee. The principles are subject to the adoption by the Association at the Annual Meeting. This Committee would like to close by commending our Associational Missionary, Rev. J. H. Mauney for the splendid leadership and guidance which he has given to this committee.

A. M. Sholar, Jr., Chairman.

J. L. Pollard presented the Church Extension Work of the Association.

REPORT OF THE CHURCH EXTENSION COMMITTEE

Your Church Extension Committee is a new committee, organized for the purpose of taking part of the work load off the Missions Committee. Because it is a new committee, it perhaps has not been as effective in its work in the past year

as it will be in the coming years. The Committee has had several meetings with the Missions Committee, working with them in relation to the total program of our mission work. We also have met with each church and mission that has sought our services. The committee has received one request for organization of a new church; however, it was learned that there was no guiding principles for the procedure of this request, so it became necessary to seek these from the Association. Upon this request the Association has now completed these principals, clearing the way for this request to be heard. We are sure that this committee will be able to do a very fine work in our Association, as we serve together, seeking to reach more people for the Lord. Since this committee takes up its duties where the mission committee leaves off, I feel that these two committees will have to work very close together. Coming to the end of the Associational year we believe that now this committee is prepared to do a wonderful work. Also we would thank each member of this committee for being so faithful and helpful in its total work.

REPORT OF SUNDAY SCHOOL

This year has been another banner year in our associational Sunday Schools. All our records are not in but we will show a substantial increase in enrollment and in average attendance.

It is encouraging to note that our growth has been steady in all departments and not in just a few.

Your Superintendent has made visits each Sunday to a different Sunday School in our Association and has made return visits to the Sunday Schools that need our greatest help.

We find that our greatest needs at the present times are still in our nurseries. We need to secure some of our best workers in this department and enlist them in training courses for nursery workers. Your superintendent has visited in almost every nursery in our Association and found far too many of them to be nothing more than "baby sitting." We have a most capable worker in this department. Miss Ruth Spence, who teaches Bible at New Hanover High School and we need to use her talent. It is most discouraging to hold a Sunday School clinic in one of our groups of churches and to

have no one from the nurseries attend. This gives us the impression that these workers are not interested in training themselves for better service.

Our reports indicate that 51 of our churches reported Vacation Bible Schools. This is the same number as last year but we feel that some of our churches have not reported. Our enrollment totaled 5,936 with an average attendance of 5,069.

We set a goal last year to have every Sunday School in our association having at ieast a monthly officers' and teachers' meeting. We did not quite make our goal but we have had an average of 20% indicating that 80% of our Sunday Schools now conducting these meetings.

We tried this year for the first time conducting Sunday School Clinics in each group and these were so successful that we intend to broaden this work in the coming year. We feel that we reach people in this effort that heretofore we have not even been able to get to our meetings.

We regret the loss, due to the press of other work, of our Beginner Superintendent, Mrs. Marshall Weaver and our Young Peoples Superintendent, Mr. Jimmy Nichols. We need to replace both of these superintendents at once. Any volunteers?

We wish to take this opportunity to thank these two and all our other Superintendents and officers for making this year one of our most fruitful ever in our Association.

A. M. Sholar,
Sunday School Superintendent.

REPORT OF THE WOMEN'S MISSIONARY UNION

The program of work of the Woman's Missionary Union of Wilmington Association for the year 1958-59 centered around the Aims for Advancement as set up by Woman's Missionary Union, Auxiliary of the Southern Baptist Convention. These aims included: World Awareness through Mission Study; Spiritual Life through Prayer Development; Christian Witnessing through Commnnity Missions; Stewardship of Possessions; Educating youth in Missions; Enlistment and Orgainzation; Leadership Training; and Reporting of Advancement.

The following societies have submitted application for meritorious attainments and will receive Approved, Advanced, or Honor certificates: Carolina Beach, Brookwood, Jacksonville First, Long Leaf, New River, Sunset, Wilming-

ton First, Winter Park, and Wrightsboro. Thirty-one Youth organizations will also be recognized on the same rating basis.

Churches having Full-Graded Woman's Missionary Union (Woman's Missionary Society, Young Woman's Auxiliary, Girls Auxiliary, and Sunbeams) are: Calvary, Jacksonville First, Lake Forest, Long Leaf, Poston, Sea Gate, South Side, Sunset Park, Tabernacle, Temple, Wallace, Wilmington-First, Winter Park, and Wrightsboro.

Other interesting facts shown in the annual report are: 51 Societies, two of which—Kure Beach and Poston—are new this year; 15 Y. W. A.'s; 62 G. A.'s; and 50 Sunbeam Bands; a total of 4031 enlisted; 50 holding leadership cards; 1675 Mission magazine subscriptions; 200 approved mission study books taught, 1723 members reading at least one missionary book; 116 organizations observing three special prayer seasons; 149 organizations participating in planned community missions; 3199 giving through the Cooperative Program; 1504 tithers; majority of organizations fostering four special offerings, namely, Lottie Moon, (Foreign) Ann Armstrong, (Home) Heck Jones (Special WMU Work) and State. These accomplishments were reached with a special consciousness of our Jubilee Goals, emphasizing **Christian Witnessing.**

Two graduate nurses, preparing for religious work — Marjorie Rawls and Frances Seitter — were aided by our Scholarship Funds. Two Mission Study Institutes were conducted. Also, a fall Leadership Conference was held at Wrightsboro Church in October with an attendance of 205. The 48th Annual Meeting was held at Sunset Park, Wilmington, with morning, afternoon, and night sessions on March 26, 1959. Attendance was approximately 200. At this Annual Meeting Associational WMU By-Laws were adopted. The list of officers elected included eight divisional directors. An invitation was extended by Temple Baptist Church for the next Annual Meeting, April 6, 1960.

*Our year's work was inspired by the Watch word "Sing Unto the Lord, bless His name; Shew forth His salvation from day to day." Psalm 96:2, and the hymn "O For A Thousand Tongues to Sing." Our attainments make us "sing unto the Lord and bless his name; Christ's great commission urges us still to "shew forth His salvation from day to day."

The Report of the Brotherhood was presented by J. D. Hobbs.

THE BAPTIST BROTHERHOOD

The active participation by men in the program of the church is one of the most encouraging signs of our day. There are more men engaged in working, giving, and going for World Missions than at any time in the history of the church. This is true, largely, because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special seasons of prayer and offerings for missions have become church-wide rather than a program for a single organization. The laymen of our churches are sharing in the pastors' keen interest for the salvation of lost people in their own communities. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 75 percent of the men of our church rolls are still inactive. They are the Brotherhood's greatest challenge.

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study, and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

Printed materials are available from two sources: Free materials may be ordered from the Brotherhood Department, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina; priced materials are purchased from the Brotherhood Commission, 1548 Popular Avenue, Memphis, Tennessee. It is suggested that every church provide for the following priced materials in their budget:

"The Brotherhood Journal" (for each Brotherhood member)
"The Ambassador Life" (for each Royal Ambassador)
"The Ambassador Leader (for each Royal Ambassador counselor)

The Brotherhood Department is planning a program of intensive training during 1960. Regional clinics will be conducted for church leaders in Brotherhood and Royal Ambassadors. The new Brotherhood Secretary, Clyde L. Davis, Sr.,

and the Royal Ambassador Secretary, B. W. Jackson, earnestly solicit your prayers for them as they seek to lead in this program.

The year has been very enheartening. Brotherhood in the association has shown definite signs of having become more stabilized, and with this the future is bright. Royal Ambassadors and men will see a new era in opportunities of Christian service in their churches. Your president and assistants have helped to organize four new Brotherhoods and three new Royal Ambassador chapters in local churches and have visited throughout the area to strengthen the work. The annual clinic was conducted at Temple and an evangelism study led at Wrightsboro with a very good attendance. The Jacksonville group Brotherhoods meeting at Brookwood with an evangelism emphasis was a joy. Two Brotherhood presidents retreats were held. A state Missions program was presented by the brotherhood at the monthly associational meeting at Wrightsboro. A number of boys and leaders from the area attended the Royal Ambassadors congress in Asheville and one of the boys obtained an office in the State organization. The number of high ranking (rank above ambassador) RA's have steadily increased. A strong highlight of RA work was the conclave at Carolina Beach last fall with a visiting Missionary from Mexico. Brother Bill Jackson led the Basic Royal Ambassador leadership course at Sunset Park which was attended by more RA leaders than any previous year. A number of men attended the Regional meeting at Roseboro and we are thrilled in the anticipation of the Regional meeting next Spring at Temple in our own association.

The idea that "Activities Make a Brotherhood Live" is beginning to take root more firmly everywhere. One of the best examples of Brotherhood is noted at Southside. There you will see enthused men and boys, organized and trained, cooperating with the leadership of their pastor. Southside would never have made the strides it has in the past two years had it not been for this very fine Brotherhood. Our hats off to them and to the many other groups of fine men in the association who are promoting the full program of the church and denomination.

Don't forget that the Associational Brotherhood has most of the film-strips for training and teaching Brotherhood, along with most of the leaflets. This is a service for all the churches and we encourage you to avail yourselves where practicable.

As your president for the past two and one-half years I want to thank all of you for the splendid cooperation, sup-

port and counsel you have given me. May God's richest blessings shine upon the entire association and strengthen you with might and power within the inner man, in full cooperation and unity. To Brother Mauney a heart of love for the encouragement and leadership so freely given these months, to Brother Daugherty my sincere prayers as he assumes responsibility for the ensuing year; may there be many fruits for the Master!

Sincerely,
Irvin Rackley.

The Report of the Music Committee was not presented.

Hymn "Stand Up ıor Jesus" was sung at this time.

R. L. Gregory presented the report of the Ordination Advisory Committee of the Association and moved that this committee be continued for another year and that the Constitution Committee be asked to make Constitution changes to provide for it in the Constitution. A. L. McGee seconded the motion which passed.

A. L. McGee presented the Program of Evangelism. He emphasized the Simultanteous Evangelistic Crusade for February 24th to March 6th, 1960, with an Evangelism Clinic on January 11th.

REPORT OF EVANGELISM

Evangelism was and is the chief object of the Master's mission. In the Great Commission, Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people is the evangelization of the world. Evangelization means "making disciples," baptizing them" and "teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is to "make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command. In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient

to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptist of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the fore ground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the state participated. Most of them did more praying, planning, and working to win all the people to a full commital to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

The ratio of baptisms to church members is 1:22 for Southern Baptists and 1:25 for North Carolina Baptists. Our association's ratio for 1957 was 1:16. It was 1:20 in 1958, and this year it is 1:20. The goal of Southern Baptists in ratio of baptisms to church members is 1:8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Wilmington Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism striving to have at least seventy-five per cent of the churches and pastors participating.

2. To conduct an annual Simultaneous Revival Crusade with at least eighty per cent of the churches participating.

3. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul-winning in the fore front of the total program of every church.

Respectively submitted,

A. L. McGee, Chairman of Evangelism.

EXPLANATORY NOTES — 1959-60 BUDGET

1. Summer Worker: By assuming a larger responsibility here, we can have the summer worker to do more than V.B.S. work through the program of the State Sunday School Department. We can also have him make surveys, teach any study courses, promote organizational work, etc.
2. The increase here indicates a shift of organizational mailing to the missionary's office without a book-keeping operation.
3. Many associations in North Carolina are including the W.M.U. work in their regular budget. We should have a unified budget.
4. Retirement. The Executive Committee recommended that the missionary's retirement program be made more adequate, and that the program he elects be considered. He elected:

Widow's supplement	$ 30.00
A rider to the Ministers Retirement plan already being paid.	
Social security (approximately)	410.00
Back payments on 1955-58 must be made.	
Sub-total	440.00
Minister's retirement plan	160.00
Already adopted	
Total	600.00

5. Equipment:
   Needs to expand office work and repair equipment:

Legal size file cabinet	$ 65.00
Used adding machine	40.00
Large scissors	5.00
Stapler	6.00
Repair screens	44.00
Total	160.00

6. Stewardship: Thus listed emphasizes the cause. We will need next year as in 1958 a paid leader for the Forward Program Clinic. There will be minor expenses incurred in the operation of the clinic: pencils, refreshments, etc.
7. District Teaching Clinic. This teaching clinic is to be conducted in Wilmington by the State Sunday School Department. Our churches wil benefit greatly since the clinic will be close by. Dr. Herman Ihley suggests that we contribute $300 toward the total cost.

A REPORT OF THE HISTORIAN OF THE WILMINGTON BAPTIST ASSOCIATION OF NORTH CAROLINA FOR THE YEAR 1958-59

To God be the glory is our deepest conviction as we read the encouraging reports from the twenty of fifty-eight churches of the Wilmington Association reporting this year.

Pastor Fred Culler of the Atkinson church moved into the new pastor's home erected by that church November 15, 1959. On May 15, 1959, the pastor graduated from the Southeastern Baptist Theological Seminary with a B. D. degree.

On July 15, 1959, Dr. Francis S. Chesson assumed his duties as pastor of the Burgaw Church. September 20th the church celebrated their 75th Anniversary with former pastors returning for this occasion. The church plans an expansion program in the construction of an additional Education Building at a cost of $55,000.00.

The Canetuck church is planning for a new church building with a sanctuary and Sunday School rooms. This is truly a venture of faith by such a small active membership. We believe God is able to do this.

Last November 16th was another milestone for the Carolina Beach church when they observed their twientieth Anniversary. During this year this church has purchased a lot adjoining the church property, licensed Wayne Ashworth to the Gospel ministry, completed the erection of a pastor's home at their Kure Beach Mission which means they have a full time pastor living on the field there. For the second summer they have had two worship services every Sunday morning; the hours being at 8:30 and 11:00 A.M.

The Long Creek and Penderlea churches have formed a field and called as pastor Robert L. Bowen, who assumed his duties on October 1, 1959. The new pastor will reside at Penderlea in the pastor's home purchased by that church.

Last October 19, 1958, under the leadership of Claude Marshall, pastor, the East Wallace Mission was organized in to the Poston Missiontary Baptist Church, with 100 charter members, 130 enrolled in Sunday School and 124 in the Training Union. During the year they completed one wing of the second story of their Educational Building, and plans are in the making for a sanctuary and pastor's home. Leonard Quick was called as pastor May 10, 1959.

Through the leadership of the Riley's Creek church a community cemetery was opened providing over 1,000 lots for the public.

Jack Mansfield, pastor of the Salem Church graduated from the Southeastern Baptist Theological Seminary in May 1959 and moved on the field where the church is now enjoying a full time program.

The Seashore church purchased a pastor's home. On September 1, 1959, they called as pastor, Everett Price.

David F. Cox was called as pastor of the Fernside church on October 8, 1958. On June 28, 1959, he was ordained by that church. April 12, 1959, the Church observed a dedicatory service for their new sanctuary.

The First Church Wilmington celebrated their 150th Anniversary during October of 1958, climaxing the event was a pageant entitled, "His Truth Shall Triumph", written and directed by Mrs. Ruth Owens Jones. During the year a building for the Young Peoples' Department of the Sunday School, was purchased and remodeled. The First Church also operated a kindergarten with forty pupils enrolled this year.

We rejoice with the Lake Forest Church who on August 1, 1959, began the construction of a new Educational Building, which when completed will care for 725 people.

The Southside church has a new Educational Building erected at a cost of $75,000. They have also renovated both the front and side sanctuary.

The Sunset Park church constructed a building for the Houston Moore Mission upon the property provided by our Association. This building is located on 14th and Greenfield Streets. On June 1, 1959, Mr. Leroy Nash, a graduate of the New Orleans Baptist Seminary, assumed his duties as Minister of Music and Youth Director.

The Olivet Church purchased two additional lots adjacent to the church property. Members of the church made

twenty choir robes valued at $300.00. New pulpit furniture and choir chairs were purchased. A six room house was donated by E. W. Godwin's Sons Builder's Supply and removed to the church property for use as Sunday School rooms.

Respectfully submitted,
Harry J. Moore, Historian.

L. Guilford Daugherty, secretary of the Nominating Committee presented the Nominating Committee's report. (See committees)

At this time Ben McDonald of the T. V. Station took pictures of the session and announced that they would be presented Tuesday night and Sunday night at 11:00 p.m.

J. D. Hobbs moved that all reports and recommendations presented in the morning session be adopted. This motion passed.

M. R. Brown, host pastor, welcomed the Association to the church and to Jacksonville and announced that his church had prepared a chicken dinner for us.

Hymn: "Blessed Assurance."

Solo: "Lord Be Merciful," by Mrs. W. P. Moore, III, of Temple Church.

The sermon was delivered by Forest Maxwell Wallace First Church, the subject of which was "Secularism Must Go!" Scripture: I Cor. 10:31. His main theme was "Do all for the Glory of God."

The morning session closed with prayer and thanks for the noon-day meal, being offered by Brother Maxwell.

AFTERNOON SESSION:

Hymn: "When I Survey the Wondrous Cross."

Devotion: R. L. Wilson using Gal. 6:14.

Elliott Stewart, Hospital Representative, presented the Hospital report. He introduced the speaker, Dr. Richard K. Young, Chaplain and Director of the School of Pastoral Care at the N. C. Baptist Hospital in Winston-Salem.

HOSPITAL REPORT

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. Constant effort is being made to keep it personal and Christian in its care of sick people. We are especially grateful for the services rendered in the field of Pastoral Care.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the clinics of the Out-Patient

Department, which is open to families not able to pay the full cost of their medical care.

Forty percent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for those needing help. The Mother's Day Fund alone, however, has not covered the full cost of the care even of the most needy.

We need to lay on the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for the needy. We commend our Association on their total gifts this last Spring of $4,486.47, an increase of $225.42 over last year, however this was far short of our goal of $6,620, and what we ought to do. We commend the 25 churches who substantially increased their gifts, by $1,002. This, however, was offset by 27 other churches who gave $750.00 less than last year and 13 who have reported nothing up to the present. Let us go back to our Churches and urge our people to hold up their end of the line, that we may go forward together in doing the will of God. Next year, we hope that every church will either take an offering or set aside an amount in the budget for this cause.

It has been a blessing to be associated with our Baptist Hospital and I would like to express my appreciation to the Association for the privilege of serving this year as their Hospital Representative.

Elliot B. Stewart.

Dr. Henry Walden, representing the Biblical Recorder, spoke on Christian Literature.

1959 REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

"Give attention to reading," said the Apostle Paul, in writing to Timothy. In that day, the people had no newspapers, no magazines, no printing presses. But they had to read to find truth. Never before has there been so much to read, as we have today. Much of this flood of reading matter is bad; so Christian people must continually cast aside the

evil and turn to that which is good. The Bible of course occupies first place always as we read in search for truth. All Christian literature must forever be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The flood of obscene, degrading literature has become so heavy on news-stands and in the mails, that the U. S. Post Office Department has cracked down in its nation-wide efforts to break it up. The printed page has great power for good; and also great power for evil. Money-hungry publishers without Christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Baptists have no need to buy or read such literature, for they have an immense volume of clean, uplifting Christian literature coming from Baptist presses and other sources to suit every age and need.

"The promotion of missions, education, social service and the distribution of sound religious literature" was the main purpose of the Baptist State Convention of N. C. when it was organized in 1830. In 1833 the BIBLICAL RECORDER was founded to help carry out these noble aims of our Baptist forefathers. Since that time, the RECORDER has carried in its pages the Baptist message in North Carolina. It ought to be in every Baptist home in our State. No Baptist mailbox is beyond the reach of the state Baptist paper each week, for every copy is mailed direct to each subscriber in every case.

The RECORDER has three subscripiton plans: Single subscription, to one person, is $2.50 a year. The Club Plan, with 4 or more subscriptions, is $2.00 a year. The Every-Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year. Pastors, RECORDER representatives in the churches, and others have been faithful in securing renewals and new subscribers, and we wish to thank them. Our General Secretary, the State Baptist workers, associational missionaries and others, have given their continued interest and support in promotion of wider circulation. We wish to express to them also, our sincere appreciation. Circulation is now over 62,590.

We earnestly urge all pastors, associational workers, Sunday School superintendents and officers, teachers, and all other local church leaders to promote in every possible way the Every-Family Plan or at least a good-sized RECORDER club in every church. No Baptist, young or old, can keep well informed about Baptist work unless he reads his state Baptist paper.

The RECORDER and its staff members seek to be of every possible service to North Carolina Baptists. Remember

us in your prayers; call on us for any service we can render. We want to be faithful to our task; we seek to make the RECORDER a true and faithful witness every week of what is best in our total Baptist life. On the wings of the printed page, there must be borne the message of progress, growth, and faithful witnessing unto the Lord. We must all work together in the will of God as we strive to promote every cause and object dear to the hearts of North Carolina Baptist people.

Faithfully yours,
L. L. Carpenter, Editor and Business Mgr.
C. W. Bazemore, Associate Editor

Dean A. R. Burkot, representing Campbell College, spoke on the Educational services of our seven Baptist Colleges.

Dr. Herman Ihley, State S. S. Secretary of the Baptist State Convention, spoke on "The State Mission Program in North Carolina" using Phil. 1:1-3 as his Scripture.

Those not given a place on the program were given ten minutes by the moderator.

Dr. Hayes of the Home for the Aging spoke on the work in his field.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The ninth year of operation of the Baptist Homes for the Aging began March 16, 1959. All three of the homes—Resthaven, Albemarle, and Headquarters—had a good year, and have been filled practically all the year to capacity — 119, counting residents and helpers.

This has been another year of God's favor upon the Homes and of encouraging progress. It brings much joy to report that all indebtedness incurred with the construction of the Headquarters building has been paid, and the three Homes are free from debt, thanks to our Lord and friends of the Homes who have helped to make this possible.

The pressing need of the Homes for the Aging now are (1) to finish the funds to start construction of Hamilton Home, and (2) to raise about $75,000.00 to cover the balance needed to pay for the additional facilities in the infirmary expansion. When they are completed, 60 more bedrooms will be added for anxious and needy residents.

All connected with the North Carolina Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the homes a program of security, comfort, congeniality, and a Christian ministry. Surely the words of our Lord, "Inasmuch as ye have done it unto the least of these my breth-

ren, ye have done it unto me," are applicable to those who help make such services possible.

The Wilmington Association gave $1,323.95 to the home this year.

Respectfully submitted,
Mrs. Colin F. Churchill,
Associational Representative
and Trustee of the Homes.

Dr. Reid, formerly superintendent of our Children's Homes, spoke on the Children's homes and urged each church to give 25% more to the Thanksgiving Offering this year to help meet the expenses of the Homes.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. ASSOCIATIONAL REPORT 1959

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous Church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interested in your Child Care program has been evidenced in many respects.

PROGRAM STUDIED

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscientious study of the entire Child's Care program sponsored by North Carolina Baptists. Findings have been gratfiying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

CHILDREN SERVED

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through financial assistance of the Mothers Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

COTTAGE CONSTRUCTION

Three cottages are currently under construction — one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys cottage at Mills Home.

The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

ADMINISTRATIVE CHANGE

Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

SIGINIFICANT CONVENTION ACTION

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

MORE ADEQUATE FINANCIAL SUPPORT

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send Once-A-Month offerings and special gifts. Designated gifts from Churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from Churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

WHAT OF THE FUTURE?

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent dhildren. Your Children's Homes are being

asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

A. L. McGee.

M. R. Haire moved that all reports presented in the afternoon be adopted. This motion passed.

W. D. Morris moved that Brother Herman Orr of the Wrightsville Church be given one-half of the Scholarship Fund ($125.00). This motion passed.

The Committee on Time, Place and Preacher reported as follows: Preacher: Elwood Orr; Alternate: A. L. McGee. They did not have any recommendations for place. Time was already set up. L. G. Daugherty moved that committee's report be accepted, which motion prevailed.

A. B. Bumgarner urged all to come back for evening session and suggested that those remaining in Jacksonville visit places of need, missions, etc. in the Jacksonville area. Brother Haire announced the formation of a motorcade to visit Jacksonville and urged all to go in groups to see the work.

The Constitution Committee reported on Constitutional Changes concerning the Associational Missionary. Fred Culler presented the recommendation, "That material on Page 15 of Book of Reports concerning Missionary be substituted for Art. 5A." This motion was seconded and carried.

R. H. Lineberger presented the report of the Resolutions and Memorials committee for Mrs. J. H. Mauney, chairman; Mrs. Glenn Tucker, and R. H. Lineberger. R. L. Gregory amended the report "that the T.V. Station be written a note of thanks for covering the session." Motion as amended passed. A motion by R. L. Gregory to send letters to A. T. Greene expressing our regrets that he could not attend our meeting because of sickness, passed.

RESOLUTIONS AND MEMORIALS COMMITTEE

The fifty-ninth session of the Wilmington Baptist Association meeting with Jacksonville First Church, Tuesday, October 20, extend our heartfelt gratitude to every person who has helped to make this occasion possible.

1. To Jacksonville First Church for its delicious fried chicken dinner and wonderful hospitality on this beautiful day.
2. To the program committee for their careful planning of the inspirational and challenging program of the day.
3. Our prayers go up to the throne of God for our moderator who is sick and not able to be with us. We pray for his speedy recovery and request our clerk to write a message of regret of his inability to be with us to-day .

4. To our vice-moderator for his wise and capable leading in directing the program of the day.
5. To our associational missionary for his tireless efforts and his far-sighted vision in leading and promoting the total program of our association.
6. To Almighty God who has blessed our feeble efforts with amazing success; we pause and say, "Thank you, Lord."
7. Be it further resolved that we the Resolutions Committee encourage every Missionary Baptist Church of the Wilmington Association to enter in the 1960 Simultaneous Crusade.
8. We are ever thankful to God for those who have been called out of our midst to be with the Lord; may their names be recorded in the minutes of our association and we request that we stand for a moment of silent prayer, thanking our Heavenly Father for their lives, the fruits of their labor and their faith by which they lived.

Respectfully submitted,
Mrs. J. H. Mauney
Mrs. Glenn Tucker

Ernest Moore moved that the Executive Committee recommend to the Finance Committee that the Association sponsor a float in the Azalea Festival in 1961, providing funds are available; this motion was seconded by A. B. Bumgarner and carried. L. G. Daugherty stated that he had $10 or $12 float money on hand.

Ernest Moore moved that the Executive Committee request the Missions Committee to investigate what the members of Long Creek Church think about the proposed withdrawal of Penderlea from the field and how it will affect their church.

R. L. Gregory asked J. H. Mauney what his agreement was with the Association as to vacations, attendance at conferences, revivals, and work for State Board in other associations. Brother Mauney stated that there was no formal agreement, just an understanding that he was to be allowed two weeks vacation, two weeks for revivals, and two weeks time to help other associations. Brother Gregory also asked how much time was spent at Ridgecrest, Caswell and other meetings; he also stated that a definite time should be set for such matters and a limited time for atendance at summer assemblies and requested that Brother Mauney bring a recommendation to the committee as to what meetings he thought he ought to attend and what time should be allotted to each of the activities mentioned.

A motion to adjourn was made by A. B. Bumgarner and upon the motion being seconded he closed the meeting with prayer.

Proceedings

The 60th annual meeting of the Wilmington Baptist Association convened with the First Baptist Church of Wilmington, on Tuesday, October 18, 1960.

The Session was opened by the moderator and the congregation joined in the singing of the hymn, "To God Be the Glory," led by Leroy Nash. Francis Chesson read the Scripture and offered prayer.

W. D. Morris, chairman of the Program Committee, moved that the printed program constitute the order of business; this motion was seconded and carried. A motion by J. D. Hobbs "that those who are registered as messengers and those who will register today, constitute this Association" was seconded and carried.

The moderator appointed the following committees:

Time, Place and Preacher—Reeves C. Cline, L. L. King, C. W. Jones (chairman).

Nominating Committee—Ernest W. Moore, Glen Tucker, J. E. Allard.

Scholarship Committee—R. L. Wilson (chairman), Forest C. Maxwell, Mrs. John Giddens, Mrs. Yates Warwick, Mrs. Elmer Wilson.

Two new ministers were recognized by the moderator—W. L. Blanton, Atkinson; Parker Snyder, Wrightsboro.

A thrilling address by Moderator R. L. Gregory was a great challenge to the Association.

The report on Sunday Schools as printed in book of reports was offered by Alex Sholar, Jr., who moved its adoption; motion was seconded and carried.

REPORT OF SUNDAY SCHOOL

Your Sunday School Superintendents continue to be amazed by the growth of our associational Sunday Schools. Every year we show a substantial increase in enrollment and in average attendance. We wonder where they are all coming from, but when we think about the enormous number of people still unreached, we realize that with all our efforts, it is still not enough.

It is the observation of your Sunday School Superintendent that our greatest need at the present time in our Sunday Schools is in training. We often can find workers who are willing but need desperately to receive training from competent leaders. It is the plan for our coming Sunday School year to have at least one group clinic for Sunday School workers in each of our eight (8) groups during this coming year. We need to obtain the support of our pastors to insure the attendance of all their department superintendents at the meeting nearest them. The clinics will be conducted by our associational department superintendents in each department, and who will furnish the competent personnel we need for leading these clinics.

Our reports indicate that 53 of our churches conducted Vacation Bible Schools in our Association this year. Our enrollment in these schools was 5,097 with an average attendance of 4331 and we had a total of 103 professions of faith in our schools, which is a good average over the previous year.

Our goal for next year in our Sunday Schools is to have every one to conduct a Vacation Bible School. The enthusiasm that our children show for this work is tremendous and the results long lasting. Many children heretofore not enrolled in Sunday School are enlisted during this work.

We find that 85% of our Sunday Schools are now conducting at least a monthly officers and teachers meeting. It is here that the results of our planning show up best. If your church does not now have this meeting, do talk to your superintendent about it.

This year will close the tenure of office for me in the Association as the associational Sunday School Superintendent. I leave this work with regret, but it is made necessary by the press of other work. We wish to take this opportunity to thank our entire associational Sunday Schools for their fine cooperation, prayers, encouragement and assistance during these three years. Our prayers will continue for this Sunday School work.

A. M. Sholar, Sunday School Superintendent

The report on Children's Home, as printed in book of reports, was presented by Lloyd Hales, who moved its adoption; motion seconded. Brother Hales then introduced W. A. Smith, superintendent of Kennedy Home, Kinston, who spoke interestingly of the work there. The report was adopted.

REPORT OF CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odom Home at Pembroke with 24 children.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Cooperative Program 31.5 per cent, Thanksgiving Offerings 31.1 per cent, Once-a-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in popu-

lation, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became editor of **Charity and Children,,** June 1, 1960. We envision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

Respectfully submitted,
Lloyd Hales

Mrs. C. F. Churchill presented the report on Homes for the Aging, as printed in book of reports, and moved its adoption; this motion was seconded and carried.

REPORT OF ACTING REPRESENTATIVE OF HOMES FOR THE AGING

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use by September 1. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfilment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes—Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we have received $82,521.20 from the churches. Of this amount $76,352.70 was contributed through the Special Day Offering in February. Although this amount is $123,000 short of our goal of $200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Homes. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mrs. T. J. Catevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

W. D. Morris recommended that the report on Hospital be given during afernoon session, following report on Brotherhoods; this was agreed to.

The congregation united in singing the hymn, "Oh Master Let Me Walk with Thee."

J. D. Hobbs, vice-moderator, gave a summary of the work done by the General Board and Executive Committee during the year, and moved its acceptance, which was seconded and carried.

The report of the Nominating Committee was presented by L. G. Daugherty and the moderator called on W. D. Morris to preside pro tem. A motion to accept the recommendations was seconded and carried. (The names are listed under "Committees"). Further nominations are to be made to the General Board, to fill vacancies.

The report of Missions Committee, presented by Alex M. Scholar, was accepted as printed in book of reports.

REPORT OF MISSIONS COMMITTEE

Our records indicate that our missions work increased in scope during the fiscal year but our potential is nowhere near being reached. There are so many areas of work that we need to begin mission work, that at times we find ourselves in a puzzle to find just where to begin first.

Your missions committee has met together and with the committees of First, Temple, Sunset and Winter Park with the idea in mind of beginning work in one of the areas where we can now begin. The plans we have made are nowhere complete but it is our plan to coordinate all the efforts of these churches to one area and to get this work underway and operating properly before beginning another. This way we would insure the successful beginning and have the financial backing to provide adequate buildings for the work to grow. We will continue to pursue this idea during year, and we will meet several times until we can work out our plans.

We could have made many more gains in reaching the unsaved if we had more funds to provide for these missions to help them to provide more adequate facilities. We know that people will not come many times if there is no space for them.

We find that the establishing of the principles for guiding the work of the missions committee and the extension committee have been very helpful to our committee. We have worked closely with our extension committee and have found that both committees have had plenty of work, to keep both busy during the past year.

Your missions committee has met several times during the year and our plans are for the following Budget to be adopted for the year 1961:

1. Pine Valley-Hanover Heights area	$2,000.00
2. U.S. 74-Wilmington College area	1,500.00
3. Brookwood temporary location	1,000.00
4. Missions promotion	100.00
Total	$4,600.00

Your missions committee would like to thank all who have helped in our work this year, and particularly to our missionary Rev. J. H. Mauney who has contributed so much toward helping in this vital work.

A. M. SHOLAR, Chairman

The report of the Constitution Committee was offered by Francis Chesson, who moved its adoption; this motion was seconded and carried.

REPORT OF CONSTITUTION COMMITTEE

The Constitution Committee recommends to the Association that changes be made in the constitution as follows:

1. That "A." under "ARTICLE 6." which reads as follows: "The General Board shall be composed of the Pastor, Minister of Education," etc.; be changed to read, "The General Board shall be composed of the Pastor of each church and mission, and the Minister of Education," etc.
2. That an additional committee be provided for under ARTICLE 6." as follows:

M. THE PUBLICITY AND PUBLIC RELATIONS COMMITTEE shall be composed of three members elected annually. The duty of this committee shall

be to promote the work of the Association through an adequate program of publicity and public relations.

Respectfully submitted,

Constitution Committee:

W. D. Morris

Ernest Moore presented the report of the Church Extension Committee and moved its adoption, which motion was seconded and carried.

REPORT OF CHURCH EXTENSION COMMITTEE

The Church Extension Committee has endeavored to fulfill its rightful function in the mission work of the Association during the year.

The function of this committee is to work with the sponsoring agency and the mission as requests for its service are made. Our sponsoring churches are doing such a splendid job with their missions that we are seldom called on. The committee does act as the sponsor, or guiding hand of any mission that does not have a sponsoring church.

The committee held six meetings during the year. We acted upon all the requests from the churches in the Association as well as the missions, to the Baptist State Convention for supplement to pastor's salary and recommended these to the General Board.

Several requests were made to the committee by the Greenfield Mission. These were acted upon as follows:

1. The committee recommended to the General Board that a down payment be made on a house and lot on South Third Street in Wilmington for a permanent meeting place.

2. The committee recommended to the General Board that the Trustees of the Association be authorized to borrow $4,750.00 for the Greenfield Mission to purchase the property on which down payment had been made.

3. The committee recommended to the General Board that $500.00 be included in budget of the Association next year for Greenfield Mission.

4. The committee recommended that the Association authorize the Greenfield Mission to borrow $1,200.00 to erect a temporary educational building with house.

5. The committee recommended that the Association authorize the Greenfield Mission to borrow an additional $3,000.00 in order to consolidate its debts. Also, to install a

central heating system, since the city had condemned the present system as being dangerous and no longer usable. Some of this money was to be used to install a new electric panel board and other specified electrical work required.

The committee acted upon a request made by Lake Forest Baptist Church as follows: Due to an oral committment made to Rev. B. M. Smith, former pastor, by Dr. M. A. Huggins several years ago, of $1,200.00 toward the purchase of a lot, which was never received, the committee requested the General Board to make a new request to the State Board or Convention for this amount for the Lake Forest Baptist Church.

The committee asked Rev. J. H. Mauney to make a list of the suggested goals or attainments to be reached by a mission before it should apply to be organized into a cooperating Baptist Church.

This committee made a recommendation to the Constitution Committee that a constituional amendment be made, or whatever was necessary to include the care of all missions in our Association.

We extend our appreciation to each member of this committee for their help and suggestions during the year. Also, to our Missionary, Rev. J. H. Mauney for his cooperation we say, "thanks."

J. H. Mauney presented requests of eight churches in our Association to affiliate with new association being formed in the Jacksonville area. Millard R. Brown moved that upon receipt of written requests each church be dismissed from the Wilmington Association to unite with the new one. This motion was seconded and carried. It was recommended that a letter be written to each church expressing appreciation of their fellowship and service, recommending them to the new association and praying God's blessing upon them.

Wells Chapel made oral request, through the clerk of the Association, for letter dismissing them from the Wilmington Association to unite with the Eastern Association; the pastor was asked to furnish request in writing.

Ernest Moore presented request of Greenfield Mission for authority to re-finance their loan; the moderator recom-

mended that the Finance Committee, Church Extension Committee and the Trustees, consider this request and make recommendation.

Lloyd Hales introduced the Royal Ambassador pages who did a fine job and were highly complimented.

J. H. Mauney gave his report on association missions and moved its adoption including recommendations; after remarks by A. L. McGee; the motion prevailed.

II. OUTSTANDING PHASES OF OUR WORK

School of Missions were conducted during November 14-27, 1959; the request for missionaries having been made November 16, 1956. Previous schools were conducted in January 1954. About half of the 29 cooperating churches paired with the other half in the two weeks period. Six States, seven Home and seven Foreign missionaries were secured, whose names are on record in my study—the associational office. There were 1433 persons enrolled in class study of the then current studies on Foreign Missions. Offerings in the amount of $1739.27 were received for the expenses of the schools which costs $1526.37, the remainder of the offerings being divided equally per week as honorarium to the missionaries.

The schools were begun by a season of prayer by the missionaries while the pastors and others made final preparation and plans for the schools. The missionaries expressed much appreciation for the prayer session and many of them reported that our schools were the best planned of any in which they participated.

There were nine conversions during the schools. Seventy-six young people volunteered for special service. Three persons decided to start tithing, and several adults vowed that they were willing for God to call their children into missionary service.

Plans of our Executive Committee call for Schools of Missions again in 1963.

Color slides were made of our mission and educational work this year for the first time. Some of these were used in the June 1960 Association Night program, which was sponsored by our Brotherhood. These helped to tell the story of our work in associational missions.

Your missionary served as secretary for the Committee for Studying the Advisability of Forming One or More New Associations Affecting the Atlantic, Wilmington, Brunswick, Eastern, New South River, Bladen, Columbus, and Dock associations. Copies of the informational letter, which was used by the various associations, the minutes of the three meetings of the committee, listing of members in attendance, the area map, and strength report are on file in the associational office. He served in an advisory capacity in the July 31, 1960, meeting at the First Baptist Church of Jacksonville where the preliminary formation of the new association, principally of churches in Onslow County, was conducted. 20 churches cast their vote that day to enter the new association. Churches from our Association were Jacksonville-First,

Brookwood, New River, Salem, Providence, Catherine Lake, Bethany, and Harris Creek. About the first Sunday in September the Well's Chapel Church voted to affiliate with the Eastern Association.

A Recreation Committee was named by our moderator at the January 11 meeting of the Executive Committee, which made the request. (See listing of committees in the forthcoming 1960 minutes of the Association for the names of this committee.) This committee is faithfully at work.

III. A LOOK AT OUR MISSIONS

Significant is the fact that our missions have progressed well because there has been cooperative effort with the missions by our churches and the association's committees. Cooperation **is essential** to church extension. Buildings have been dedicated this year by Immanuel, Greenfield, and Blue Creek. Our most evident limitations have been property and buildings. More basic limitations have been prayer, faith, vision, and presentation of the challenges that are before us.

Blue Creek

Blue Creek has prospered well because of thorough and hearty cooperation from beginning, and good sponsorship by the First Baptist Church of Jacksonville. Sponsorship was set up in cooperation with the Missions Committee of the Association. Our Missions Committee secured the consent of all local churches before the decision was made to open the mission. The sponsoring church agreed with our Missions Committee on securing a minimum of four acres of land. The previous survey had been a cooperative effort by a number of our churches through their Brotherhoods.

The mother church spent initially $4,000 (of this amount $400 was from current funds) to secure the land. They had budgeted $2,500 for the operation of the mission. The State Convention gave $2,000 to be applied on the purchase of land. The State W.M.U. gave $750 for the same purpose, and an additional $425 to be applied on pastor's salary. In the 1960 conference of the State General Board $2,600 was granted for pastor s salary assistance for the year. The mother church added an amount to make an adequate salary. The Association had given $2,500 over the past two years.

Rev. Tasso W. Siler of Jacksonville served as supply pastor until his death. This was from the beginning of the mission on the first Sunday in January 1960 until about the first of May. Rev. Paul Nix was called as regular pastor and moved on the field June 15. On August 14 the first unit of

building was used and dedicated. At that time there was sufficient loan potential balance to erect walls and roof of an additional building, which was being planned.

Full scale and excellent cooperation has made Blue Creek a qualified work. Pastor Nix just stated over the telephone that Blue Creek had the most thorough beginning of any mission he had ever known. The Spirit of God, the greatest factor in the life of any church, prevails in Blue Creek Mission.

The membership is now 73, including 15 who have come by baptism, since the beginning of the mission. There are now 203 enrolled in Sunday School, having begun with 66 on the first Sunday. Training Union has been in operation for two weeks with 75 attending last Sunday, and has an enrollment of about 85. A Woman's Missionary Union president has been elected, and planning has been done to organize a Brotherhood. Music work is progressing.

Contributions have averaged $82 per week since the mission began, and over $100 per week for the last two and one half months. The mission will participate in the Forward Program of Church Finance with the mother church. A budget of $12,103.65 has been adopted for next year.

An additional unit of building is under construction with the pouring of the floor the next operation.

The mission has enjoyed splendid acceptance in the community. It is maintaining a satisfactory balance in membership and enlisted persons between local residents and military personnel.

Please, there is no partiality on my part for Blue Creek, as you may think because of a more extensive write-up as compared with the other missions. The purpose here is to show you what full cooperation and good planning can do.

Murrayville

Murrayville, sponsored by Wilmington, First Baptist, is a smaller situation than some of our missions, but a growing and healthy one. The original survey during the early life of the mission showed 250 possibilities. Work has been intensified and opened by other Baptist groups and decreased that number. (There has been no conflict.)

The membership now stands at 52, with 60 enrolled in Sunday school. Again, as in the case of other missions, it should be pointed out that their greatest physical limitation is educational space. Educational work must have priority and be done first if a mission does its best. There has been

63 in attendance at Sunday school, but that attendance cannot be consistently maintained due to lack of educational space. There were 10 baptisms in 1959. The work of redemption continues.

Sixty-five were enrolled in VBS this year, including a faculty of 15. This enrollment compared to church membership shows a healthy, growing situation.

Best wishes to Murrayville under the guidance of their wise and faithful Pastor A. B. Porter.

Immanuel

Immanuel Mission has a potential of 800 possibilities and a building that will accommodate only 150 when crowded. Their building would serve as an adequate Junior Department if their work were properly expanded. They say, "when we visit about twice a week for two weeks we run the place over. Then the attendance drops because the people say, 'we have no room; you are overcrowded.' "Then attendance drops below normal. Many of the "half-new" ones quit coming."

Immanuel now has a membership of 225 with 215 of these resident. Membership increased this year, 45 by baptism and 28 by letter, etc. They rank second in the Association in ratio of baptisms to church membership. (Greenfield Mission is first.)

A survey of Lake Village was made in August, which I directed. Houston Moore Terrace is now being surveyed. This survey work is being done in cooperation with the State Church Development Department, E. C. Upchurch, secretary. His department furnished the materials. The need for building space is the sad story.

Training in organizational work, world missions, church administration, etc. is progressing. Rev. Stokley is also preparing himself further by continuing his studies at Fruitland Baptist Bible Institute.

Kure Beach

Kure Beach Mission has made steady progress since its beginning in August 1955. The membership is now 54 resident and 27 non-resident making a total of 81. This year one new member came by baptism and seven by letter. The Sunday school enrolment is 62. There was an average attendance last year of 58. Attendance in the summer has reached as high as 165. Adults comprise the largest number in church membership and Sunday school enrolment, there being 41 adults and only 21 up through the intermediate age in Sunday school.

Spiritual growth and fervor is indicated by good attendance at Sunday morning and evening, and Wednesday evening services. One Junior boy dedicated himself for full-time Christian service.

Total receipts for the year were $5,373. Local expenses amount to $5,536.97, and $377 total for missions. The members have grown in an awareness of world mission responsibility and their duty to action through the Cooperative Program and Associational Missions. They are in the process of setting up a debt retirement plan to pay $4,000 on their block of property in the next two years. The balance of $2,325 can be handled at ease over a longer period. Payments are now being made on property.

Carolina Beach-First began this mission and has rendered regular, consistent, and valuable assistance.

Greenfield

Greenfield (formerly Nesbit Courts) Mission is reaching a goodly status in their ability to work as revealed in their statistical report. They have seen the tremendous challenge of 350 prospects for Sunday school and some 300 unsaved people in their small community area where there are six other churches. Evidence of their response is the fact that 48 have been baptized this year and 56 others came into the membership by letter, etc., making a total of 207 members. They rank first in the Association in ratio of baptisms to total church membership.

Receipts this year total $5,604, and total expenditures for local needs, of $8,182. Mission gifts total $187.

Greenfield used the Church Community Survey Program in July, sponsored by the State Department of Church Development, E. C. Upchurch, secretary, and directed by your missionary. They are also using the State Church Achievement Program, under Rev. Upchurch. Let it be pointed out again, like almost all of our missions, that buildings and equipment are their greatest apparent need.

Even though Greenfield has endured many handicaps and hardships the Spirit of God has worked mightily in them. Through the devoted, sacrificial, compassionate, and wise leadership of their pastor, they have made excellent progress and will continue through the years as a church to the

glory of God. Many of the members have given sacrificially of their money. One widow woman who has a welfare income has given $400 in the past year. She knows what the Lord meant when he said, "lay up for yourselves treasures in heaven."

Rocky Point

Rocky Point had its beginning when your missionary looked over and studied the field in 1956. He planned and directed the census in 1957, taken by Riley's Creek Church, and which was completed in July. Sponsorship by Calvary has been carried out in a very helpful way in furnishing personnel, guidance, and financial assistance. Harry and Vivian Poovey are proving themselves to be a very lovely and devoted pastoral couple.

Rocky Point now has 61 members, all resident, with an additional eight pending the receipt of letters. Last year seven came into the membership by baptism and five by letter. There are 127 enrolled in Sunday school. W.M.U. was organized a short time ago and now has 14 members. Planning is under way for a Brotherhood.

Receipts this year total $3,628. Local expenditures total $3,322, and $470 was given for all mission causes.

Rocky Point used the Church Community Survey Program last summer (1959) during the Campaign directed by E. C. Upchurch, state secretary. Your missionary assisted Rev. Daniel Huneycutt in directing the survey there. The census showed approximately 300 total possibilities.

IV. OUR RECORD IN MISSIONS GIFTS

This is a matter that needs our careful attention. We should follow the 2 Plus plan promoted by our Southern Baptist leaders.

A. Total Mission Gifts

Total gifts to missions by our churches have increased from $92,249 reported in 1954 to $158,053 reported in 1959, or a gain of 72%. The increase for each year over the previous year is: 1954 — 7.8%; 1955 — 13.7%; 1956 — 21.3%; 1957 — 4.3%; 1958 — 2%; 1959 — 11%; and 1960 — .5%. No doubt the Use of the Forward Program of Church Finance helped to cause the increase in 1959 over 1958.

B. Gifts for Associational Missions

The chart below shows total gifts for Associational Missions by years, giving the increase over the previous year.

Year Gifts Were Made	Total of the Gifts	Less Gifts for Previous Year	Increase Over Previous Year
1953-54	$ 4,825.95		
1954-55	10,204.45	$ 4,825.95	$5,378.50
1955-56	11,109 45	10,204.45	905.00
1956-57	14,288.91	11,109.45	3,179.46
1957-58	14,378.10	14,288.91	89.19
1958-59	15,215.57	14,378.10	837.47
1959-60	15,685.49	15,215.57	469.92

Total usable net receipts this year amounted to $19,-568.84, which included a bank balance of $2,941.81 carried over from last year, and $425 from the State Convention, and $90 from Bethany Church as payment on a loan. The regular, proportionate and all gifts from the churches are greatly appreciated and needed. Let us continue to advance in local missions work. There is still much to do.

There are some new-work projects in view that will cost even more than any of the past. We can handle them by full cooperation. I call your attention again to the excellent promotion of the Blue Creek Mission.

The chart below shows amount paid for new work from October 1, 1954, through September 30, 1960.

1954-55	1955-56	1956-57	1957-58	1958-59	1959-60
$ 500.00	$1339.43	$3719.28	$4950.00	$4717.17	$4450.00

With the going of nine of our churches into the other associations and the anticipation of further church extension by new missions, it is important that all our churches endeavor to reach a fair proportion of total gifts for associational missions, namely on the average, 3%. Please consider these matters and that we can do the necessary mission work only as we have full cooperation. Your prayers and concern are greatly needed.

V. WHAT WE SHOULD DO AND BE

We do not like to be involved in a serious religious issue as we presently are on a national scale. It is thrust upon us. We cannot lay it aside. We can no more be passive. The issue must be taken up in every church and mission, and by every individual Baptist.

We should pray that God will help us see the needs that exist about us.

Upon the adoption of the Survey Program for 1962 we must begin immediately to make a thorough and complete preparation for a successful launching and completion and use. We have been persuaded and know that it is God's will that we have it. We must continue to seek His will and to have His Spirit in these matters or we shall fail.

We must continue and increase missionary education for more of our people, especially the men of the Brotherhood.

We must resume our work of enlisting and encouraging volunteers for full time Christian service.

We need a revival in the attitude and evaluation of how God looks upon us as individuals and churches. He wants us to **be** the personification of Christ. Many of our missionaries in foreign lands must be walking (not talking) examples of the person of Christ. They must persuade others of Christ by their life, not by their lips.

Our civilization imposes upon us as individuals and churches, the idea that our value and culture are determined by what we have, our form of activities, ceremony and litergy and statistical record. God expects us to be characterized not by these things, these forms and attainments but by His attributes of humility, meekness, mercy, love, purity, peacefulness, holiness, goodness, patience, gentleness, and others. We are encumbered if we never rise above the machinery of organization.

We need to learn sacrifice in giving before we are compelled to sacrifice.

We need to expand greatly our service to the church in music education and assist and encourage participation in the state program of choir development. We should organize a Brotherhood sponsored associational men's chorus.

Train our deacons and Brotherhood men in church development and administration in order that they may assist our pastors in developing our churches.

Set up Sunday School and Training Union organizations.

Step up training work for the development of church leadership.

Continue our emphasis on new missions as shown by our report of the missions committee.

Seek for and pray for a great revival in stewardship of talents and possessions.

VI. MEETING OUTSIDE THE ASSOCIATION AND EXCHANGE WORK

In order to accomplish vital work in our churches and Association. We must invite other missionaries, pastors, state, and southern Baptist workers to serve in our activities. Therefore your missionary, pastors and others serve in committees, conventions, and campaigns.

September 27 through October 2, 1959, I served in schools of missions in the Caldwell Association. A total of twenty young people committed their lives to Christian service when invitations were given in the churches. Parents, including one pastor, made vows of willingness for their children to be used of God in full-time Christian service. Others agreed to tithe for the first time.

This was a reciprocal activity in view of our own Schools of Missions.

I attended the State Convention and the State Conference of Associational Missionaries in November. I attended a two-day regional Evangelistic Clinic in Goldsboro along with Rev. McGee, our Evangelism Chairman, and Rev. Bumgarner who serve on the clinic faculty. I also attended the State Evangelistic Conference conducted in Charlotte in February. These are important to the conduct of our associational work in evangelism.

Last December 16-18 in Salisbury our State Convention personnel conducted a join workshop, for the first time with all associational missionaries of the state. This was conducted to give the two groups a closer working condition and understanding and an opportunity for personal fellowship. Another such workshop is planned for this year in Raleigh. I plan to attend that also.

Other meetings included a Region 3 meeting on the 30,000 Movement in Fayetteville. In promoting the work of the Hospital, Dr. Millard Brown and I attended the one-day meeting at the Hospital for representatives and missionaries. I attended a report meeting later in Kinston to evaluate our procedures. I attended the Region 3 Training Union Convention at Bethel Church in the Bladen Association, and while there invited the Convention to meet with us next year. (See calendar)

The Correlation Committee of the State Conference of Associational Missionaries met in Raleigh on June 21, 1960. I served on that committee on that date and in the annual one-week conference in July.

Your missionary family attended Music Week at Fort Caswell this year as an inspiration and preparation for doing more in music for our churches. We also attended the Home Board Conference at Ridgecrest. This conference always furnishes vital information and inspiration for various phases of associational missions work. Among the causes are survey and church development programs, schools of missions methods, retirement for pastors, and other vital phases of Baptist work.

I served as director for the Pleasant Hill Baptist Church in their Church Community Survey Program duirng the simultaneous campaign in the Catawba River Association.

VII. MATTERS THAT NEED OUR ATTENTION FOR THE FUTURE

The January 1962 Church Community Survey Campaign should be one of our greatest pieces of work in Kingdom service. Let us pray that we may be in God's will in all that we do. Pray for Rev. E. C. Upchurch, state secretary of the Church Development, and Rev. Billy Hargrove, secretary of the Department of Surveys and Special Studies of the Home Mission Board.

The work of our organizations in the Association must be revived. There has been no Training Union organization in the Association in the past seven years except Director and Pastor Advisor. We must coduct a Library Clinic and Campaign not later than 1963, preferably in 1962. We need a thorough conference and evaluation of kindergarten needs.

VIII. RECOMMENDATIONS

1. I recommend that the Recreation Committee be elected by the Association and listed in the minutes as a special committee.

2. I recommend that the Association approve the January 21-27, 1962, Church Community Survey Campaign as our emphasis in cooperation in the 30,000 Movement and the Baptist Jubilee Advance year of Church Extension.

3. I recommend that the Association conduct Schools of Missions during September 1-13, 1963, or some other appropriate date to be accepted by the General Board.

4. (Additional recom): I recommend that we reactivate our Seminary Extension Center and that the Moderator name a committee of three to serve this year.

IX. APPRECIATION

We your missionary family greatly appreciate all the personal kindness that has been extended to us by many friends in the churches. We appreciate your hearty cooperation in the work in the Association. We are grateful that you have shown your interest by increased gifts for the work each year. We appreciate the raises you have given us in salary and expense accounts. We appreciate the care you have for us in every way.

You have accepted and supported us in new projects. You have shown faith in us by requesting our help in many activities and counsel with difficult situations. We appreciate greatly every opportunity of Kingdom service in your midst. Those opportunities are made possible by your love and respect.

We are grateful for Rev. Horace Hawes who has served faithfully as our summer worker for the past three summers. He has been effective repeatedly in V.B.S. work, also in surveys, teaching Sunday School and Training Union courses, and in supply preaching. He is an outstanding Christian because of his devotion to his Lord and his concern for people. He is punctual, untiring, and faithful in his work.

Respestfully submitted,
J. H. MAUNEY, Missionary

After singing of hymn "O For a Closer Walk with God" the annual sermon was delivered by Elwood Orr; this was a thrilling and inspiring message.

E. T. Hogan led in prayer and asked blessings on the noon meal, and the meeting was adjourned.

AFTERNOON SESSION

The session opened with song, "Crown Him Lord of All." J. D. Hobbs, vice-moderator, presiding worship in Scripture, and prayer was led by Maurice Briggs.

Ernest Moore reported for the committees which were asked to consider application of Greenfield Mission for authority to re-finance their loan, stating that they approved and moved that request be granted; this motion was seconded and carried.

The First Church of Jacksonville asked for approval of a request of $2000.00 from the State Board for Blue Creek Mission; a motion to approve was seconded and after remarks by Millard Brown the motion prevailed. A request for pastoral aid, in the amount of $2600.00, for Blue Creek Mission, from State Board, was approved on motion. Paul Nix, pastor, reported on the progress of this mission.

Reeve Cline gave the report of the committee on Time, Place and Preacher and moved its adoption, which motion was seconded and carried.

The Committee on Time,Place and Preacher recommends that the place be Temple Baptist Church. The preacher—A. L. McGee; Alternate, R. L. Wilson.

The time is set by the Association, October 17, 1961.

C. W. Jones, Chairman
L. L. King, R. C. Cline

The Resolutions Committee submitted their report by Chairman B. M. Smith who moved its adoption, which motion was seconded and carried.

The Brotherhood report was presented by L. G. Daugherty, as printed in book of reports, and he moved its adoption; upon motion being seconded Brother Daugherty discussed the report and then introduced the officers of the Brotherhood and Royal Ambassadors; then motion was carried.

THE BAPTIST BROTHERHOOD

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program sponsored by the church and denomination. The Brotherhood must strengthen the total program of the church. Evidence may be seen on every hand that the church must become stronger in its witness. However, there will never be stronger churches until they have stronger men in their membership. It has been said that from 65% to 75% of the men on the rolls of the Baptist Churches may be classified as inactive. It is at this point that the Brotherhood will meet the greatest need of our day. When these inactive men are sought out and enlisted in the ministry of the church, the resurgence of strength will be felt on every mission field of the world. The

Baptist churches have the best program of teaching, training, stewardship, evangelism, and missions ever proposed by a Christian group since the days of the early church. Our chief weakness lies with the majority of men who have never grown beyond their willingness to be numbered among the church membership. Therefore, the Brotherhood stands at a strategic point and faces the greatest challenge ever presented to Baptist men.

The need for a Brotherhood organization is greater now than ever before. This is true because of the void which has been created in most of the churches by the appropriate and timely system of grading. Without a Brotherhood there is no provision made for a specialized meeting specifically designed for all men of the church. This is needed because of the opportunity which it affords the pastor to project the program of the church in a way which will tend to shape the attitude of men in a favorable direction.

Generally, men will support a worthy cause when they are adequately informed of its merit. If more than 50% of the men are inactive, it may be assumed that the same number of men are not informed about the mission of the church. The Brotherhood can and does fill this void in many churches.

A door of opportunity is opened by the Brotherhood for the man who becomes a Christian after he reaches adulthood. Those of us who grew up in a Baptist Church forget how foreign our church language may sound to a man whose first experience inside the church program comes later in life. It may be possible that our insensitivity at this point is largely responsible for this great number of men which have been classified as inactive. For many men from this group of converts the Brotherhood provides an easily accessible door to the center of church life and activity. The wise pastor will not ask a new adult Christian to become a teacher or leader of children nor will he suggest that this man become a deacon. In the program meetings of the Brotherhood this man will feel at home. He may be assigned to a committee of men and introduced sooner to the methods by which the Baptist Church conducts its affairs. In a shorter time he may be given opportunity to give expression to his experience of regeneration and growth in grace.

The Brotherhood Department is endeavoring to bring the Brotherhood work in North Carolina to the highest level of efficiency to accomplish those things which have been set out above by a concerted effort in leadership training.

Through our associational Brotherhood organization we hope to open new avenues of communication of the denominational program to the laymen in the churches. It is our firm conviction that when men are better informed they will participate more enthusiastically in our great program of World Missions.

Now that the organizational structure has changed, there is a great need for Brotherhoods that make adequate provision for Royal Ambassadors. The rising emphasis upon outdoor sports, camping, etc. by other groups is making a strong appeal to our boys. The Royal Ambassador program provides everything offered by other groups plus missionary training. Our church cannot compete with other groups unless they have outstanding Christian men to lead the Royal Ambassadors. They will never have this much needed Christian leadership without a Brotherhood which challenges men to give of their time and talents to this cause.

The Royal Ambasador program in North Carolina has been on the move and is showing signs of steady increase in number and enthusiasm. However, it is felt that the Brotherhood Department will need to provide more and more opportunities of training for Royal Ambassador leaders. Therefore, a program of leadership training is being encouraged by this Department continuously. Another great need of Royal Ambassador work is camp facilities which will serve as a place for training Royal Ambassador leaders and set the pace for camping with Royal Ambassadors in our associations and regions. The Royal Ambassador camping program is designed to capture the attention of the boy and then to lead him into a program of missionary education.

The future of the Royal Ambassador program of North Carolina is dependent largely upon the willingness of the men in our churches to give of their time, talents and possessions to a vigorous program of missionary education for boys. In a real sense the future of our churches will be influenced greatly by that which we do for our boys today. The Royal Ambassador program has a great influence on World Missions. These young men will become the laymen who will provide the necessary tithes and offerings to sponsor World Missions in the future. The increased need of well trained young men who are willing to give their lives on the mission fields increases the importance of this program. North Carolina Baptists are making a contribution to World Missions by supporting the program of Brotherhood and Royal Ambassadors.

In our Association we perhaps have held our own this year as it has been a year of getting to know the work, the churches, the men and needs of the Association.

The Brotherhood sponsored one of the quarterly association nights with emphasis being placed upon association Missions. This was well received and helped to show what we have done in our Association as well as to challenge us to see the needs yet to be met in the Association. We have gone through this year with only three associational Brotherhood Officers: Dewey Hobbs, Sr.. of Temple Church, has served as our associational vice-president. Mr. Hobbs served also, as the State vice-president of the Baptist Brotherhood and was recently re-elected to this position. In May the Reverend Lloyd Hales, pastor of the Barlow-Vista Baptist Church, accepted the responsibility as our associational Royal Ambassador leader. He served well in this capacity and planned a good sports program for the summer. He organized a Royal Ambassador Baseball League with ten teams participating. The churches which had teams were: Immanuel Mission, Providence, Greenfield Long Leaf, Barolw-Vista, Temple, Sunset Park, Olivet, Seagate and First Baptist. These teams were given in order of final standings for the season. Immanuel won over Providence Church, in the play-off, both being tied at the close of the season, with an 8-2 record, making Immanuel Mission the associational champions.

To climax the baseball season, a Royal Ambassador Conclave was held at the Long Leaf Baptist Church. The activities of the day began at 3:00 P.M. with a ball game between Immanuel and Providence playing for the championship. Then a picnic supper followed with each fellow furnishing his own lunch, with a drink furnished by the associational Brotherhood. The evening activities included a program built around the Royal Ambassador Pledge. Coach Leon Brogden, the New Hanover High School football coach, spoke on "I will follow Christ the King."

The work of the Royal Ambassadors is only as strong as the Pastors and the Royal Ambassador Leaders desire it to be. If our pastors and Royal Ambassador leaders get the work on their hearts, this is a place that we can all be of service to our King. The boys today will be the men of tomorrow.

Mr. Hales and your Brotherhood President attended a state-wide Brotherhood Leadership workshop at Campbell College in June and a regional Brotherhood workshop at Whiteville. Mr. Hobbs, our vice-president, and the Reverend

Vic Potter as associational Brotherhood secretary, also attended the meeting in Whiteville.

A very successful associational Brotherhood officers workshop was held in September 29, at the Temple Baptist Church with 92 men in attendance. A workshop for each officer was held and the men atttending seemed to be very anxious to learn their responsibilities as Brotherhood leaders in their churches.

We have a full staff of Associational Brotherhood Officers for the coming year and I feel we are off to an excellent start. Our new officers are:

President: L. Guilford Daugherty.
Vice-President: Dewey Hobbs, Sr.
Royal Ambasador Leader: Lloyd Hales.
Personal Stewardship Leader: Claude O'Shields.
Christian Witness Leader: James L. Pollard.
World Mission Leader: Norman Wheeler.

"The tragedy of modern Christianity is that so often the men have been overlooked and their power lost to Christ and His Kingdom. In our Brotherhood we have an organization that will attract and hold the men, challenge them to loyalty to Christ and the church and utilize them in essential Christian activities. The Brotherhood is not just another organization; it represents all the men of the church working at all the tasks of the church and seeking to bring men to Christ and into all the work of the church. Our aim is to lead the men of our churches into a realization of the obligations and privileges of church membership and to provide a medium through which they can serve. This simply means then, that a Brotherhood exists for the church and denomination rather than for itself. Southern Baptists have come to the place in their church and denominational life when they will mark time, advance or retreat in direct proportion to their success or failure in utilizing the spiritual power residing in the men of the churches. It demands our best."

L. Guilford Daugherty,
Brotherhood President

Millard R. Brown submitted the Hospital report as printed in the book of reports and moved its adoption; when motion was seconded, he introduced W. K. McGee, Director, Department of Denominational Relations, who gave some interesting information of the splendid work being done at our hospital. The motion to adopt the report prevailed.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The ministry of our Baptist Hospital touches every area of our State. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and most all our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike—the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a place and ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our hospital receives about 3¾ of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

The churches of the Wilmington Association gave $4,178.69 through the Mother's Day Offering this year. This was $481.47 less than the amount they gave last year. Yet, this drop occurred in the face of a good promotion on the part of your missionary, the hospital representative, and many others who tried to get the needs of the hospital before the churches. It occurred primarily because the churches, previously strong at this point, became weak. We had concentrated much of our promotional effort in getting the churches previously weak to become stronger. The effort was successful, but not successful enough with the churches doing most for the hospital the year before.

If we are really serious about our hospital and its ministry in giving help when people need it, we will be compelled

to become more serious about our giving through the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make someone in each church responsible for it, to let our people know about the need, and challenge them to give of their means. Some of our churches over the state have been doing this, and the people have demonstrated that when this is done they will provide the necessary support. We ask all the churches in the Wilmington Association to join in this great effort—not for the hospital, but for sick people who are in need.

Respectively submitted,
Millard R. Brown,
Hospital Representative

Millard Brown stated that there was a controversy between the Recreation Committee and a Catholic Priest of Jacksonville in regard to the use of a public building for Catechism classes, and that a meeting of the city council was to be held Tuesday night to discuss this matter. He requested the prayers of the congregation that the council would be wisely guided.

The clerk received a written request from Wells Chapel that they be dismissed from our Association to unite with the Eastern Association. The clerk then moved that a letter of recommendaion be granted; this motion was seconded and carried.

Jack Hasty reported on the registration of messengers stating that there were 165 present and 52 visitors. The moderator highly complimented the clerk for his work through the many years of service.

James L. Pollard spoke in regard to the Jacksonville problem aforementioned and remarks were also made by Maurice Briggs, M. R. Brown and Miss Rivenbark. Ernest Moore moved that the moderator confer with M. R. Brown and J. E. Allard and that a letter be written to our sister churches in Jacksonville, assuring them that the Association stood squarely behind them in their struggle to maintain separation of church and state. This motion was seconded and carried and the following letter was written.

The WILMINGTON BAPTIST ASSOCIATION meeting in annual session in Wilmington, North Carolina, October 18, 1960.

To: OUR SISTER CHURCHES IN JACKSONVILLE, NORTH CAROLINA.

We commend you in your continued struggle to maintain and uphold religious freedom and separation of church and state. The State of North Carolina along with Baptists has always insisted upon freedom for every religous group with special privileges for none.

It has long been the tradition and practice in the United States that the organization, function and financial support of a religious organization should be separate from that of the State. This provision in the Constitution of the United States is constantly under attack, sometimes by well-meaning but misinformed persons.

We shall ever remember you in our prayers as you carry on this sacred struggle for God and country and for the best interest of all the citizens.

J. E. ALLARD, Clerk
Wilmington Baptist Association

Following a beautifully rendered selection of special music, Rev. Clyde Davis, Brotherhood secretary, N. C. State Convention, brought a challenging and inspiring message on Stewardship.

The moderator appointed three members of the nominating committee as follows: Ernest Moore, Glenn Tucker, and J. E. Allard.

The meeting adjourned, following prayer by Linwood Todd.

EVENING SESSION

The closing session of the Association was opened by the moderator. Leroy Nash led in the singing of hymn "I Love to Tell the Story," then Reeves Cline led in prayer for God's presence and blessing.

A. L. McGee presented the report on Evangelism, as printed in the book of reports, and moved its adoption. After his motion was seconded, he discussed the report and it was then adopted.

REPORT ON EVANGELISM

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this Atomic Age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We

are Christians and must share with those who are not Christians. We are the children of light and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this be true, and no doubt it is, and if Southern Baptists are the leading Evangelical denomination in America, we must match this hour with total dedication to evangelism.

Therefore, we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our Association annually.

2. That our Association have an Evangelistic Clinic, on November 28, 1960.

3. That our Association participate in the Baptist Jubilee Revival, and that we set annual Baptist Jubilee Revival dates through 1964.

4. That our Association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.

5. That every church utilize the church council in promoting a perennial program of evangelism within the local church.

6. That every church co-operate with the Baptist Jubilee Revival, and that consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.

7. That each church follow the **Revival Plan Book,** thus pray, plan, and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of spiritual life.

8. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into the fellowship of the church.

Respectfully submitted,
A. L. McGee, Chairman

James L. Pollard read from the scriptures and offered prayer. This was followed by special music rendered by the combined choirs of First Church and Winter Park.

A. L. McGee introduced Rev. Douglas Aldrich, pastor of Forest Hills Church of Raleigh, who delivered a thrilling message on Evangelism and closed his message with prayer.

The moderator then called on A. B. Bumgarner to bring the session to an end with prayer.
